June 2019

Brothers,

A few words going forward. We are, as Councils go, a very active one thanks to all the Officers that have been in place since we began 13 years ago. There are many causes, projects, organizations and charities that we support, and will continue to support, but there is much more we could do. All it takes is the active participation of our Brother Knights and that is where you can do your part. We have 115 members, but only 30 or so come regularly to our meetings. Why not join us sometime soon and hear firsthand what is on our Councils horizon? There just might be something that interests you, or better yet, you might have a great idea we haven't considered. We meet the 2nd Monday of the month. The meetings are only 1 hour long, and our next meeting is in Council Chambers Monday, July 8th at 7:30pm. Our Council Chamber is located in the former Saint Teresa school building.

Speaking of help, Brother Kevin Kreutzer needs a few people who can help distribute Festival raffle tickets after this Sundays Masses. Give Kevin a call at 412-370-1557 if you can help. We also need a few people to work in the beer/ pop booth for an hour or so. Call me at 412-527-8573 if available

FUNDRAISING WEEKEND

There was an unfortunate oversight at the rectory that made it necessary for our Council to have to change the date of our Church Collection for the Bishops Project. The new dates are July 20-21. Any extra details will be reviewed at our July 8th meeting, and also be sure to check the bulletin.

JULY MEETING SCHEDULE

The Business Meeting for July will be on Monday, July 8. Rosary will be at 7:15 and the meeting will begin at 7:30. There will not be a Social meeting in July.

UPCOMING FUNDRAISER

Some very good news .We will be having our Knight at the races on Saturday November 23rd and I hope that everyone will save that date and be there. We will be co-sponsoring the evening with the Holy Cross Athletic Association which offers the potential of having many more people in attendance at the event. There will be more about this at the July Meeting.
