Knights of Columbus Council 13959 Monthly Newsletter

-- November 2017

Brothers,

Even though the deadline has passed for us to make the maximum profit from the sale of COAL tickets it will still pay us to get as many sold or purchased before the FINAL deadline of November 22. FYI, here is a breakdown of our profit range based on the dates the tickets are received by the State Council:

October 12 - Book cost - $3.25 - Profit - $3.75 - 76 books turned in,

November 1 - Book cost - $3.50 - Profit - $3.50 - 0 books turned in.

FINAL deadline, November 22 - Book cost - $3.75 - Profit - $3.25

PLUS - Our council gets a .25 rebate (Paid by separate check) for ALL tickets turned in by November 22.

I may have made this a little confusing but the bottom line is if you still have any unsold books of tickets lying around it's not too late to turn them in and still have the council profit by them. Remember, the deadline for getting them to me is **WEDNESDAY, NOVEMBER 22.**
