October 2018

Brothers,

It's fair to say that we have just concluded a very busy but sad week, and one that clearly sets the stage for our Council going forward in 2018-2019.

We said good-bye to our Pastor Father Bob Vular and his assistant Father Chris Mannerino on Sunday at the noon Mass. If you were not able to attend, it was a heartfelt 2 hours, and one that I'm certain touched all that were there. Special thanks to the Knights Color Guard for their involvement throughout the Mass. Also, both Fathers received a gift of appreciation from our Council for all they did to support our cause these past 13 years.

We had a very successful final TOOTSIE ROLL day at Kuhn's Market on Saturday. Thanks again to Carl Schonhardt for organizing our schedule and to those who were there this past Saturday, and for all Saturdays throughout the summer. Each 2 hour shift adds up, and I will include our total in next month's newsletter. What we do need next year is a group of brother Knights to assist those who have been regulars this year. We have over 115 members and I'm certain there are many among you who can spend 2 hours on a few Saturdays next year so that we can reach our Bishops Project goals. More will be said about this subject in the future.

At the same time on Saturday 6 Knights were present at noon to assist 30 others in saying the Rosary at the gazebo in Perrysville. Nancy Schlosser organized the event in remembrance of our lady of Fatima. Thanks to all those who attended.

Very special thanks to Georgiann Schaefer who made a \$1000 donation to our Council from the Saint Teresa Christian Mothers. These funds will be earmarked for the replacement of our stolen lawn equipment, if needed. Many thanks again Georgiann.

Please do all you can to sell your COAL tickets, and especially talk up the Andrea Bocelli Concert, with the drawing coming up on November 24th. Both ticket sales create important dollars that are needed to support all our Council causes.

A few words about this year's Christmas party which will be held on Monday December 10th. John Marshall Catering has held the date, and we look forward to his Dinner. As mentioned at our last meeting, this is our largest expense (other than Bishops Project) and after speaking to several Council members, it has been decided that there will be a \$7.50 per person charge for the evening. We will provide the beer and wine as usual and the Clergy, Sisters and wives of our deceased brothers will be guests of the Council.

Finally, we ask your continued prayers for Father Michael Maranowski, our financial secretary John Kleck, and Deacon Jack Miller, who lifted all our spirits at last week's Council meeting
