October 2020

Brothers,

Before I review the results of our October Zoom meeting, I want to say thanks again to Larry Wargo for agreeing to fill in as recorder for the past 4 months. It's important that all members of our Council be informed of all Council activities especially during these difficult times and his business meeting recap is available for all to see on our KofC website.

While on the subject of recorder, I have a few thoughts as to appointing his replacement, but if any brother would have an interest in being considered, could you please contact me in the next week or so. It only requires a few hours per month, but as I said above, it's an important responsibility of our Council to keep all brothers informed and up to date.

Brother Bob Musgrave reported that Council finances are all current and up to date and that our Council is in good standing with Supreme.

There are several webinar activities in October which all have been made aware of thru our State Deputy Ken Grugel. In addition, there is additional information regarding the beatification of Father Michael McGivney, and also all can attend a fraternal benefits night with Chris Gonzalez on October 15th starting at 6:30 pm. If interested go to christopher.gonzalez@kofc.org

I will be picking up our seals on Friday Oct 16th in Homestead. More will be discussed regarding this very important program at our November meeting.

There were 3 important projects that were voted on and approved.

- 1...Two wheelchairs for the global wheelchair mission total cost \$300.00
- 2...Two wreaths to be placed on veterans at the National Cemetery of the Allegheny's. Total cost \$30.00
- 3...Full support of the Keep Christ in Christmas Billboard Program. \$300.00

My thanks to all for supporting these important projects.

As I mentioned, we have requested, and received, permission to conduct a Membership ceremony at Saint Teresa Church. There are 5 men at present who have

agreed to join our Council and there is plenty of time to add others. If you know of anyone, and need any additional help in assisting others, please let me know. The only other info we need is to follow all COVID issues and I will have all that info in a few days. By the way our Pastor has agreed to be present, schedule permitting, so let's get to work and start reaching out to those who you know should be members of our Council. It will be on Sunday, early to midafternoon, and the actual date will be sent to all next week. The 4 dates available are November 15 and 22nd (not Thanksgiving weekend) or December 6th and 13th Wouldn't it be great to have 10 or more new members to start off 2021.

Fraternally,

Fraternally
Jay Kerr GK
