

Protecting Your Family... Business?

You already know that the Knight of Columbus is here for all your personal and family financial protection needs, but did you know that the Order can help secure your business too? As your Knights of Columbus field agent, I can help you protect the continuity of your business for years to come.

Business insurance is the term used in the insurance industry to describe the use of life insurance and disability income insurance to solve certain financial needs of businesses and their owners. The products offered through the Order can cover many needs, such as:

- Economic loss to the business when a key employee dies
- Disposition of a business owner's interest upon death or other separation from the business

If you've worked hard to establish a business, you owe it to yourself and your family to learn about the opportunities that the Knights of Columbus can offer.

With protection for the family, the business, the farm, retirement, long term care and disability coverage, the Knight of Columbus truly is your shield for all the elements of your life.
