## A Message from our GK:

Good evening brothers,

Over the past month sitting watching and hearing I been wondering how I can better serve you my brothers of Council 759 better as your newly elected Grand Knight.

I truly believe that we need to remember why we are knights in the first place.

- **Charity**
- **Unity**
- **Fraternity**
- **Patriotism**

I truly believe in these but the Two I believe we all must remember is Charity and Unity.

Charity must start at home Unity is what bonds us all together.

I figured that I should tell each of you my plan for the year. I am not big on numbers so if you are looking for me to have a recruiting station after every Mass or a Membership drive I believe we do this at every pancake Breakfast and Burrito sales and the many activities that we do every year's examples Fish Fry's, Keller Fest Parking and Special Olympics are just a few examples of how we get the word out to men. I believe with all the extra things we already do there's no need for a membership drives. I truly believe that the Knights of Columbus is an organization that by name alone is something that men seek out to join. If a man asked you about our Council educated him on what the Knights of Columbus is all about and pls welcome him to sign up. Now with that being said. I truly believe that the only way to have successful year is if we can all work together.

May the Lord above Bless each of you and your families!

Yours in Christ,

**Michael Rhodes**

**A note from our Field Agent...**

## **LTC Is an Important Piece of the Puzzle**

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are underwritten based on your health, and you most likely will never be any healthier than you are today.

### Fulfillment

God wants you to enjoy many things. It's only when something becomes more important to you than God that you get into trouble. What do you spend your time chasing after - popularity, success, leisure, pleasure? Whatever it is, don't let become your god. It's only when you chase after the one true God that you will find true fulfillment. Chasing other god's only brings disappointment and dissatisfaction. Only God can fulfill your every need. What other god's have you been chasing after?

Only God satisfies every need. - Acts17:25
