

November to Remember 2015

Thanksgiving Feed the Needy

Newsletter by Brother Ray Darag

Brother Danny Flores was assigned as the event coordinator for this year's Feed The Needy program by our Grand Knight Allen Miller. The event was held at the Mary Star of the Sea Parish Hall Nov 25, 2015 from 11:00 to 2:00 pm. Our Brothers of the KofC Council 12805 membership showed up to help and served around 450 individuals that came from all over Ventura county. The KofC prepared the turkeys 1 day prior to the event day. The ladies auxiliary of Council 12805 showed up in support of their husbands by decorating the tables, serving the line and ushering people coming in and helped at the end in cleaning up. The Council served 24 turkeys for the event and it was a successful thanksgiving effort to help and feed the unfortunate ones and not only that, it felt good to be a part of this kind of worthy cause. The KofC Council 12805 spent \$605.00 with the monetary and turkey donations from parishioners of the Mary Star of the Sea. On behalf of the KofC Council 12805 Our Lady Mary Star of the Sea we thank all our volunteers and donors to the our yearly Thanksgiving Feed The Needy program. We will surely do this again next year. And we also thank the Mary Star of the Sea Church for providing us the parish hall for our venue. God Bless you all and Merry Christmas.

(1) Website KofC12805.org Established

Our Knights of Columbus Council 12805 is proud to announce that we have a website in place and the website address is www.kofc12805.org. This was presented by myself and approved by the council membership. Now the viewing public of the website will know what we actually do to raise fund to support different organizations mandated by our Supreme Council and how we support our Church Our Lady Mary Star of the Sea and its parishioners. And we have the Uknight Market Center for business. Click the Uknight Market Center button on the main page of our website.
