DEPUTY GRAND KNIGHT'S MESSAGE — ROCCO DEVITO

As Spring Shrouds Us All

As we roll out of the winter blues and bound into spring, we are reminded of the Easter season and the revival that we experience with our religious beliefs in the forefront of our excitement. Alleluia he has risen, he has truly reason, indeed. As resurrection is a new beginning, we also regenerate ourselves during this special time. We are truly blessed to have two special times every year to be reunited with fellow humans in God's love through our happiness and joy through the celebration of both Advent and Lent! It is so much easier to help others when we feel such joy during the Easter season. We feel gratitude for the repentance that we receive at these special times, like the wiping of a new slate. The deleting of the past deficiencies of the last few months we become anew. This celebration goes hand-in-hand with the early leaves poking through the recently frozen ground and with the budding trees, soon to flower, and we must not forget the robins of spring happily hopping around our yards staking out their territories in preparation for the nesting and bringing of new life. We too find an added hop to our steps as we walk in the crisp spring air that seems to warm the atmosphere and the deep caverns of our hearts. Let us not forget the reason for the resurrection, to bring in of new life, not the old forgetful self-centered life of the past, but a new life of recommitment to a servitude to all. Make your promises emit from your heart to making a better world. Make your smiles traverse your face from ear to ear. Make you handshakes enthusiastically and sincere. Hug as you have never hugged before. And love as God loves you! Allow this resurrected spirit to motivate you to embark on the life of servitude that Jesus initiated with his mission on earth.

May you and your families feel the hope of new beginnings, love and happiness during this joyful Spiritual Easter season as we celebrate the Risen Christ.

PRAYER IN TIME OF NEED

Lord Jesus, you came into the world to heal our infirmities and to endure our sufferings. You went about healing all and bringing comfort to those in pain and need.

We come before you now in this time of need asking that you may be the source of our strength in body, courage in spirit and patience in pain.

May we join ourselves more closely to you on the Cross and in your suffering that through them we may draw our patience and hope.

Assist us and restore us to health so that united more closely to our family, the Church, we may give praise and honour to your name. Amen.

youth
activities

I hope this finds you and your families well and looking forward to spring and the warmer weather that will give us more opportunities to enjoy the outdoors and all our city and region has to offer.

I would like to thank all Brother Knights who came out to support Team Ayden for the Spaghetti Fundraiser at the hall on March 18 for Juvenile Arthritis.

Our efforts like this make a difference to the youth in our community. I hope you will continue to support our efforts to assist the youth effort(s), either through activities that are lead by our council or opportunities we find to partner with others to deliver youth programming to the community such as our efforts with Team Ayden.

We want to be the difference.

I challenge Brother Knights to continue and support the excellent start we have made. If you have an idea, bring it forward – discuss it – get involved – support it – make it happen.

Tim Salisbury
Youth Director
