CHANCELLOR'S MESSAGE — MICHAEL MARK

Brothers,

As we enter into the month of August, we can appreciate the warm weather and spending quality time with our loved ones during the summer. What is important for us is the work that we continue to do within our community to foster charity, unity and fraternity during these summer months. From volunteering at various barbecues, to working diligently with the ongoing charity projects that we support within our local community such as bingo, we are brothers in Christ and we should strengthen our bonds through our fraternal efforts.

In June, we had a nice, informal dinner at the hall on our fraternal night with fellow brothers in our council. We need to build strong bonds of brotherhood by virtue of informal gatherings at the hall more often. Whether it is just a casual game of cards, or sharing a few laughs over a drink, that is what makes us brothers. I encourage you to call up your fellow brothers and invite them out for a drink or a cup of coffee/tea. We need to get to know one another's families much better because without the support and unconditional love of our families, we could not have accomplished many of the work and projects that we have set out to do as the Knights of Columbus. Our Lord commands us to be there for each other, our families, our church and our community which is what we must continue to do.

If one of your countrymen becomes poor and is unable to support himself among you, help him as you would an alien or a temporary resident, so he can continue to live among you (*Leviticus 25:35*).

Have a great summer! **See you all in September.**

Vivat Jesus!
Michael Mark

PRAYER IN TIME OF NEED

Lord Jesus, you came into the world to heal our infirmities and to endure our sufferings. You went about healing all and bringing comfort to those in pain and need.

We come before you now in this time of need asking that you may be the source of our strength in body, courage in spirit and patience in pain.

May we join ourselves more closely to you on the Cross and in your suffering that through them we may draw our patience and hope.

Assist us and restore us to health so that united more closely to our family, the Church, we may give praise and honour to your name. Amen.
