CHANCELLOR'S MESSAGE — MICHAEL MARK

Brother Knights

May is upon us, and with great weather just around the corner, we can reflect on a wonderful and successful fraternal year that we had as a corporation council. We have a lot of accomplishments to be proud of as a united team of Brother Knights that is supported by four parishes within our great community. At the recent state convention, Council 5073 won a number of awards including Family Of The Year (the Vermelfoort family), for being not only a Knight of Columbus, but being so active within the church, and in our community as well. Our council also won the Council Activity Award for the success in fund raising for charity in the cash calendar project that was led by our Brother Jere Hartnett and his team. In addition, we won the John P. Rodina Award which is an award for the recognition of the work that our seniors group has done for the widows within our council and work within our community. We also won the E-Council Award, for the work that was done on our website and social media that was directly the result of Brother Tim Salisbury's efforts. Finally, we won silver in the Trillium Award as well. This award is a combination of having met a number of criteria as a council (details and description are on the KofC state website). Last, but not least, the week of April 23 to April 30 is Volunteer Appreciation Week, and we are proud to announce that Brothers Mario Colaianne and Frank Miele from Council 5073 are being honoured by our MP Karina Gould for their dedicated efforts year round in the work that they do on a weekly basis to raise money in our bingo project.

The Burlington Knights of Columbus as a group (across all councils) has also been nominated for a Community Service Award called *Service Best* from the City of Burlington. The outcome has yet to be determined. Stay tuned.

We have a lot to be proud of as a corporation council and still yet a lot of work to be done. We must continue our work as Knights of Columbus to foster charity, unity, fraternity and patriotism. Our LORD commands us to go forth and help the poor and the less fortunate, as well as to love and respect our Brothers as we unite as a team to accomplish some great things that are still yet to come in the forthcoming fraternal year.

Those Brothers who have not yet participated in projects to help raise money for charity, stepping up to be a part of the council executive, parish based events, community fund raisers, bingo or the Columbus Charities, I encourage you to do so. You will find great joy in working with fellow Brother Knights while having some fun in an effort to accomplish much needed charity work within our community as well as working cooperatively with Brothers from other councils on various projects.

If there is a poor man among your brothers in any of the towns of the land that the LORD your God is giving you, do not be hardhearted or tightfisted toward your poor brother
(Deuteronomy 15: 7).

PRAYER IN TIME OF NEED

Lord Jesus, you came into the world to heal our infirmities and to endure our sufferings. You went about healing all and bringing comfort to those in pain and need.

We come before you now in this time of need asking that you may be the source of our strength in body, courage in spirit and patience in pain.

May we join ourselves more closely to you on the Cross and in your suffering that through them we may draw our patience and hope.

Assist us and restore us to health so that united more closely to our family, the Church, we may give praise and honour to your name. Amen.

The Burlington Community Foundation recently released a community report card noting that as our city grows, youth support and youth programming in our community is significantly lacking and in dire need of community focus and support.

In our ongoing and expanding efforts to support the youth and youth programming in our community, the Council via Halton Columbus Charities (HCC) is sponsoring three deserving children from the community to attend week-long camps at Camp Marydale in Hamilton this coming summer.

For more information on Camp Marydale, go to <http://cyo.on.ca/campmarydale/2014-dates-themes/>

My special thanks to directors of the HCC for their time and support of this effort and continuing support of youth programming in our community.

Remember — you are the difference!
