DEPUTY GRAND KNIGHT'S MESSAGE — ROCCO DEVITO

All lives have equal value. Our goal is to find solutions for people with the most urgent needs, wherever they live.

Who would imagine that this is a goal of one of the richest men in the world and his wife? The Bill and Melinda Gates foundation bases its charitable works around this founding principle. Why would these people bother helping others when they have reached goals that most people would deem as the ultimate goals to be reached? They have come to the realization that the supreme goals in life are not ones of personal wealth and fame, but of the personal satisfaction one receives from helping others.

This theme is evident in the gospel reading for September 23: "Sitting down, Jesus called the Twelve and said, "Anyone who wants to be first must be the very last, and the servant of all. (Mark 9:35)" What does it mean to be a servant of all? Is this not what Melinda and Bill are trying to accomplish with their charities? This is truly what it means to be the greatest!

If you carefully look at everything that Jesus does and tells us to do, it results in happiness. If we do what Jesus does, "What Would Jesus Do?", we will only find happiness and contentment. How can you be a servant and still be happy? There is no better moment in life than when someone says thank you for something you did. Is this what it means to serve all?

When do you feel most satisfied? Was it in personal, financial success or in the small pleasures in life, like helping others? If we had the financial means, we could become philanthropists. But what we do have to offer in an abundance is ... our time.

Life is like a book. When the book is open, what will it say about you?

We need to communicate the good feels we receive during the act of serving to every man in our congregation. If it is good for you, it will be good for them. So do not ever give up on a fellow parishioner until they fill out their form 100!

Vivat Jesus!
Rocco

PRAYER IN TIME OF NEED

Lord Jesus, you came into the world to heal our infirmities and to endure our sufferings. You went about healing all and bringing comfort to those in pain and need.

We come before you now in this time of need asking that you may be the source of our strength in body, courage in spirit and patience in pain.

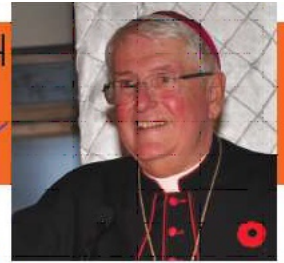

May we join ourselves more closely to you on the Cross and in your suffering that through them we may draw our patience and hope.

Assist us and restore us to health so that united more closely to our family, the Church, we may give praise and honour to your name. Amen.

HCCEF STUDENT GUARDIAN PROGRAM

Poverty remains a powerful factor in whether a student succeeds in school. All proceeds support the HCCEF Student Guardian Program, which helps HCDSB students in need to succeed in school. Low-income students will often experience lower achievement, interrupted school attendance, less participation in extra-curricular activities and lower post-secondary attendance. The Program provides support to help overcome these financial barriers to education (i.e. basic needs like food & clothing, and access to school experiences that have fees).

How donors & supporters have made a difference:

*A request for financial support is being made at this time on behalf of a single parent of a Grade 3 student, who is unable to cover the transportation costs associated with participation in the Nelson Youth Centre Intensive Half Day Program. The program helps students with severe social/emotional issues to learn strategies which will enable them to maintain their school placement and function effectively in the home and community."
