My where has this last year gone? Seems like we just had Thanksgiving but here it is again.

The Kearney Area Concerned Citizens will be holding the Thanksgiving dinner as they have for the past 31 years. This will once again be held at the Hall. They are always in need of help both Wed. (prep day) and Thursday (Thanksgiving Day). If you can lend a hand it will be very much appreciated. They will bring in the truck on Monday and it will have to be unloaded Monday evening after the Prince of Peace Council meeting. This will be at around 8:30 PM.

If you want to help on Wed. or Thur. please give a call to Tina Sheets at 308-234-1746 and she will find a place and a time for you. If she does not answer leave a message and she will get back to you.

Universal Intention - **Countries Receiving Refugees:** *That the countries which take in a great number of displaced persons and refugees may find support for their efforts which show solidarity. |*

Evangelization Intention - **Collaboration of Priests and Laity:** *That within parishes, priests and lay people may collaborate in service to the community without giving in to the temptation of discouragement.*

From the Desk of Fr. Art Faesser

Brother Knights-

In an effort to give our K.C. Chaplin, Fr. Joe a little support in his many responsibilities, I will be writing a number of the reflections for the monthly K.C. News Letters.

An appropriate place to begin is to express gratitude to you for the many works and projects that you are committed to throughout the year. These benefit many people and promote the mission of the Church in our diocese and beyond. Thank you for the sacrifices you make and the time you give for the success of these good works.

Thanksgiving is less than two weeks away. Many of us will be gathering with family and friends at bountiful tables to share wonderful food, conversation and our affection for each other. The harvest season is a good time to celebrate this annual holiday. The harvest also serves as a reminder of the bounty and goodness of God to us. A favorite mantra that I try to live by is the simple awareness that: "All Is Gift". It reminds me that God is the giver of all that comes to me and that I must be a faithful and good steward of those gifts.

We ought to and need to build and strengthen our ties of families and friendships on days like Thanksgiving. At the same time, we must live with open eyes and hearts to the needs of the many others beyond our inner circle. We must be inclusive rather than exclusive. We must have compassion for the sufferings of those who lack so much of what we take for granted. This is the message of Jesus in the pages of the New Testament. This is the message that our Father Francis holds before us. This is the message we are called to live and proclaim in our daily living.

Blessings + Peace,

Fr. Art Faesser

Brother Knights

Congratulations to the soccer kickers from our Region who are going to KofC State Soccer Challenge on Saturday, Nov 5. District 24 had 5 Regional winners who are going onto the State Competition. If anyone wants to cheer the kickers on, be at Grand Island Central Catholic High School at 11 am.

Election Day is Nov. 8: It is the right AND DUTY of all citizens to have an informed involvement in the election of our leaders. Look at the ballot and vote for life. We all need to be sending a message about religious freedom, and the rights of the unborn to life. Pray for leaders who will seek God's will for our country and the world.

Please start to compile a list of activities that you have done in the name of the Knights because in January every member will be asked to submit your hours to the Grand Knight/Financial Secretary so they can forward it to Supreme. Thank you for your cooperation!

The next major Degree is Holdrege on Jan 22, 2017. 1st degree at 11am, 2nd and 3rd at 1:00 pm. We need 3rd degree members to show up and support the brothers who take the degree. Please contact a fellow Catholic man and invite him to join the Knights.

Vivat Jesus,

Mitch O'Neill, District Deputy 24

The Fall Harvest breakfast turned out to be a success. There was a good turn out and plenty of food. Thanks to all who helped .

The breakfast was followed up in the afternoon with the 4th degree participating in the Veterans Day parade. Brothers Jim Bogner and Jim Dubas provided the color guard. Thanks to everyone who rode on the float and to Ken Richter for pulling the float.

Respectfully yours

Long-Term Care Plans Offer Peace of Mind

Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care policy holders in the United States, there's an added bonus.

It's called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network includes discounts on products, such as hearing aids, diabetic supplies, personal emergency response systems, and durable medical equipment, as well as skilled nursing facilities, assisted living, and adult day care.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you haven't yet spoken with me about long-term care insurance, you owe it to yourself to do so. There are a few decisions to make in choosing a "plan" — a comprehensive plan that covers care whether you're at home or in a facility, or one that covers facility only; daily benefit amounts and benefit durations (how much and how long it will last); and the length of the elimination period (waiting period) before benefits kick-in.

Having a professionally trained agent — and a brother Knight you can trust — to help guide you through the process is yet another valuable benefit that comes with your membership. Take advantage of it; contact me today.

Happy Thanksgiving!!

Michael Scholz

Supreme Chaplain Archbishop William E. Lori

GROWING UP, I would sometimes throw stones into a nearby pond and watch the ripples. Whenever a stone hit the water, a series of rings radiated from the point of contact. The ripples flowed outward from the center, ring after ring.

This widely observable phenomenon helps us understand the wide-ranging impact of decisions. Newly enacted laws, for example, often have far-reaching consequences unintended by those who crafted the legislation. In our own lives, when we give good example, our actions have a positive “ripple effect” on others, including people we may not even know. Conversely, when we behave scandalously, our behavior can tear down the faith and undermine the virtue of others. Our personal lives, even our private thoughts, attitudes and decisions, can have an impact on those closest to us – family members, friends and co-workers – but also on the common good of our communities, our countries and even the world.
