## From our Grand Knight

### Our Task Ahead

Earlier this year, I asked for a task for the Knights to undertake for the coming year. The request given by Monsignor Murray was for us to help the legislative campaign currently underway in Pennsylvania for our legislature to pass a bill stating that marriage in Pennsylvania would mean a marriage between a man and a woman. We will be working with other church groups to call, write, e-mail and phone our state legislators on the importance of the passage of this bill in our state. Several states have already adapted this type of legislation and there are a few that have gone the other way and now permit a union between men and men and women and women. We need to take a strong stand on what our Faith teaches is right and work to defeat that which is immoral and wrong. We will be soliciting your aid as we work together to promote marriage and true family values, just as we work now for the Right to Life Movement. It has been well said is "we stand for everything (being done) and do nothing, we deserve what we get." Let's show our support for sacred values.

Fraternally,

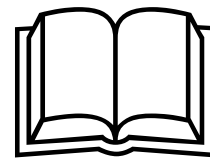

*Dennis*

### Christmas Concert—Coming Soon

Our next big event is the concert on Saturday, December 1st at Visitation BVM Church. It is a time when all knights and their families should plan to help support the event. We need greeters, ushers and those to help with the choir preparation. (Water, refreshments before the event and such). Will you join us for that evening and ask all of your neighbors and friends to attend.
