## THE KNIGHTS FAMILY PICNIC

Here is a good overview of the picnic provided by SK Sal Scalia who also provided the pictures of Zappie in action:

The KofC Family Picnic was held on Saturday October 13<sup>th</sup>. Gerry Zapata did a great job organizing and putting the picnic on. Many Knights helped out with setup and cooking. The weather was good. A little humid, but no rain. Food was plentiful. Hamburgers, Hot Dogs, Sausage links, chips and Watermelon. A perfect picnic menu and no one went away hungry.

There was plenty to do, also. Activities were for the young and old alike. Horseshoes for the adults and games for the children. Washers, bean bags and the most fun of all- bobbing for apples. I think Zappie enjoyed that the most.

The height of the party for the children, was a beautiful star shaped piñata. They all took turns hitting it (some mothers and fathers had to help out), but once it broke open, everyone enjoyed the candy and bubble gum that poured out.

Thank you to all who participated and made this first KofC Family Picnic a huge success.

As indicated above, Zappie is amazing for all that he does. Below is one more example of his achievements - ***picking up an apple with his face as an example for the children.***

## **GET TO KNOW YOUR BROTHER KNIGHTS BETTER**

### **Sal Scalia – Chancellor of Council 7613**

As requested by our faithful News Letter editor, I would like to tell you a little bit about my life. I was born and raised in New Haven Connecticut. That's right!! Home of the Knights of Columbus. In fact I was baptized in St. Mary's Church, Fr. Michael J. McGivney's original parish.

It was in November of 1948 that I opened my eyes on God's great earth. The 4<sup>th</sup> of what would become 8 children. Three older brothers and four younger sisters (guess my parents REALLY wanted a girl). Thanks to my mom, we all received a good Catholic upbringing. We attended church every Sunday and she made sure we received our sacraments right on time.

After graduating High School I entered the US Army and in 1968 joined the 101<sup>st</sup> Airborne in the Republic of Viet Nam. In 1971 I met up with Donna, my high school sweetheart and we became husband and wife a year later. On Nov. 1<sup>st</sup> we will be married 47 years. After two children and a lot of hard work as a Technical Adviser for the New York mass transit system (25 years with MTA) we purchased a small ranch in a small town called Guilford, Conn. We raised chickens, goats, beef cows, dogs, cats and ducks. We also opened a horse boarding stable and bred and trained our own horses.

In late 1996 we'd had enough of the New England winters and decided to move to San Antonio, Texas. We opened an Italian restaurant call Naples Pizza at the corner of Huebner and NW Military. The restaurant was terrific, however it consumed our lives, so in 1998 I applied for and received an Electronic Technician position at USAA. That same year we purchased our new home in the Turkey Point development. That is what brought us to St. Marks Church. We immediately became active in the church community. We renewed our wedding vows here, baptized our granddaughter, became Ushers, Eucharistic Ministers, members of the ACTS community and in March of 2000 myself and 15 other Catholic gentleman, under the coaching of Sam Szalwinski, joined St. Marks Knights of Columbus Council 7613. In 2003 we became 4<sup>th</sup> degree members of Assemble 3018. Since then we and our families have been great friends. We started what we called KCDC Dinner Club, enjoying each other's company over a great meal. We celebrate babies, weddings and in 2013 we celebrated my retirement after 15 years of service to USAA.

Now, as I look back on my life I can clearly see how the grace of God has brought me full circle to the place where I am today. It's been a wonderful spiritual journey, I wouldn't trade it for anything and I am confident that this is exactly what God had in mind for me, as he pointed the way throughout my life.
