## Grand Knight Message

### *Our third principle – FRATERNITY*

**A fraternity** (Latin *frater*: "brother") is a brotherhood, although the term sometimes connotes a distinct or formal organization. A fraternity (or **fraternal organization**) is an organized society of men associated together in an mutual environment of companionship and brotherhood.

**The Knights of Columbus is the world's largest Catholic fraternal service organization. Founded by the Venerable Father Michael J. McGivney in New Haven, Connecticut. Originally serving as a mutual benefit society to low-income immigrant Catholics, we developed into a fraternal service organization dedicated to providing charitable services, promoting Catholic education and actively defending Catholicism in various nations**

John F. Kennedy, the only Catholic to be elected President of the United States, was a Fourth Degree member of Bunker Hill Council and Bishop Cheverus Assembly. Supreme Knight Luke E. Hart visited the White House on Columbus Day, 1961 and presented Kennedy with a poster of the American Flag with the story of how the Order got the words "under God" inserted in the Pledge of Allegiance. On November 22<sup>nd</sup> we mark the 50<sup>th</sup> anniversary of the passing President Kennedy. Many leaders have been a Knight of Columbus, including Ted Kennedy, Sargent Shriver, John Boehner and Jeb Bush.

Many notable clerics are also Knights, including Cardinal William Joseph Levada, prefect of the Congregation for the Doctrine of the Faith; Cardinal Sean O'Malley, archbishop of Boston; and Cardinal Jaime Sin, former archbishop of Manila.

In the world of sports, Vince Lombardi, the famed former coach of the Green Bay Packers, former heavyweight boxing champion Floyd Patterson and baseball legend Babe Ruth were all Knights.

During the month of November we remember all the souls who have departed this life on earth. We give thanks for our blessings and strive to exemplify the LEGACY of our predecessors. Our legacy and our future is strong. We must live our motto "In Service to One. In Service to All"

Invite a friend or acquaintance to walk with you and join our order. Be sure to walk with them and encourage them to take their degrees and become a FULL Knight, to take part and become an active members of our council's charitable and family affairs. Encourage them to learn the inner workings of the organization of the brotherhood and listen to their concerns and innovative new ideas. Council 5480 will host a 3<sup>rd</sup> degree exemplification "FRATERNITY" on Saturday, November 9<sup>th</sup> at 10am

We foster the growth of our council with "RECRUITMENT – RETENTION – REMEMBER".

*Be forever faithful*  
**David Litzinger - Grand Knight**

### *Family of the Month*

#### **The D'Souza Family**

Congratulations to Sandra, Kelwyn D'Souza and son Mark as our Family of the Month. They are members of Our Lady of Mount Carmel. Kelwyn is our Youth Director and as a team they exemplify "Young at Heart". You will see Kelwyn and Mark at many of the council activities. In July the D'Souza's took pictures at the Installation ceremony. Sandra is a member of the Catholic Daughters of America and The Ladies of Carmel. The The D'Souza trio formed the core of the Youth committee who most recently organized the 3<sup>rd</sup> Annual Laser Tag and the Youth Halloween Party.

### *Knights of the Month*

#### **50<sup>th</sup> Anniversary Committee**

What a wonderful celebration and kick-off of our Golden Jubilee year. It goes without saying that the co-chairs and their 50<sup>th</sup> Anniversary Committee have made us proud to be part of the legacy of Walter Pollard Council 5480. The celebration continues throughout the year and we will host the State Bowling tournament in April.

Congratulation to our 50<sup>th</sup> Anniversary Committee -- Past Grand Knights, Bernie Gerlach and John Edwards, Co-chairmen and their team of Marshall Clarke, Ronald Gorman, Joseph Drozdowski, Harold Hairston, Jim Healy and Lewis Stokes..

### HAPPY THANKSGIVING TO ALL!

**Thanksgiving** is a holiday celebrated in the United States on the fourth Thursday in November. It has been an annual tradition since 1863, when, during the Civil War President Abraham Lincoln proclaimed a national day of "Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens." The month of November is also a precursor for the coming yuletide season. But most importantly, Thanksgiving is a time to bond with family, relatives and friends and to rejoice and be thankful for what the Almighty Father has bestowed on each and every one of us throughout the year. November is also the time when our Council remembers those in our community who are in need of assistance, by providing Meals-on-Wheels on Thanksgiving Day. I encourage those of you who have the time to please volunteer two hours of your time assisting those in need. The more volunteers we have, the less time it will take to deliver the meals. Have a safe and blessed Thanksgiving holiday!

*Vivat Jesu, Gabe Franco, Deputy Grand Knight*

#### Chaplains Corner

This month of November, we pray in the Catholic Church for the Holy Souls in Purgatory, those faithful who have died and gone before us but who still must atone for their sins. The time they spend in Purgatory cleanses them so that they may enter Heaven free from all effects of sin.

Purgatory is not, as many people think, one last trial; all of those who make it to Purgatory will one day be in Heaven. Purgatory is where those who have died in grace, but who have not fully atoned for their sins, go to finish their atonement before entering Heaven. A soul in Purgatory may suffer, but he ultimately has the assurance that he will enter Heaven when his punishment is complete. Catholics believe Purgatory is an expression of God's love, His desire to cleanse our souls of all that might keep us from experiencing the fullness of joy in Heaven.

Praying for the dead, especially for those we have known, is a requirement of Christian charity. Our own prayers and sacrifices can be offered up to relieve their suffering.

#### HOW TO HELP THE HOLY SOULS

The faithful left behind can do just that, and they want to do it. The holy souls are their friends who have gone ahead into eternity. The faithful still love them and want to do something for them. They can—through their prayers. The prayer used may be the one suggested by Cardinal Newman in his hymn for the dead:

Help, Lord, the souls which Thou hast made, the souls to Thee so dear, in prison for the debt unpaid of sins committed here.

The faithful can also help these holy souls through the Sacrifice of the Mass. They make an offering on All Souls' Day that Masses be said. These Masses help the holy souls, both because the Mass is so powerful in itself and because the faithful

*By Father Carlos Lerma*  
have coupled their sacrifice with the Sublime Sacrifice.

We should pray for the dead throughout the year, especially on the anniversary of their death, but in this Month of the Holy Souls, we should devote some time every day to prayer for the dead. We should start with those closest to us--our mother and father, for instance--but we should also offer prayers for all the souls, and especially for those most forsaken.

We believe that those Holy Souls for whom we pray will continue to pray for us after they have been released from Purgatory. If we live Christian lives, we too will likely find ourselves in Purgatory someday, and our acts of charity toward the Holy Souls there now will ensure that they remember us before the throne of God when we are most in need of prayers. It's a comforting thought, and one that should encourage us, especially in this month of November, to offer our prayers for the Holy Souls.

#### Fraternal Benefits

### LTC is an Important Piece of the Puzzle

There are many financial consultants and retirement authorities who emphasize the need for a long-term care (LTC) product for estate preservation and family protection as you near or attain the age of 60.

While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle. The Order has been actively offering our members this product for nearly 15 years without a single premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums

today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

If we have not spoken about your need for LTC coverage in your family portfolio, please take some time out of your schedule to meet with me.

Remember, long-term care policies are purchased with your health, and you most likely will never be any healthier than you are today.

**History of Veterans Day.**

The eleventh hour of the eleventh day of the eleventh month.

That was the moment at which World War I largely came to end in 1918. One of the most tragically senseless and destructive periods in all history came to a close in Western Europe with the Armistice -- or end of hostilities between Germany and the Allied nations -- that began at that moment. Some 20 million people had died in the fighting that raged for more than four years since August 1914. The complete end of the war came with the Treaty of Versailles in June 1919.

The date of Nov. 11 became a national holiday of remembrance in many of the victorious allied nations -- a day to commemorate the loss of so many lives in the war. And in the United States, President Wilson proclaimed the first Armistice Day on Nov. 11, 1919. A few years later, in 1926, Congress passed a resolution calling on the President to observe each November eleventh as a day of remembrance.

Of course, the hopes that "the war to end all wars" would bring peace were short-lived. By 1939, Europe was again at war and what was once called "the Great War" would become World War II. With the end of World War II, there was a movement in America to rename Armistice Day and create a holiday that recognized the veterans of all of America's conflicts. President Eisenhower signed that law in 1954. (In 1971, Veterans Day began to be marked as a Monday holiday on the third Monday in November, but in 1978, the holiday was returned to the traditional Nov. 11 date).

Today, Veterans Day honors the duty, sacrifice and service of America's nearly 25 million veterans of all wars. We should remember and celebrate those men and women. But lost in that worthy goal is the forgotten meaning of this day in history -- the meaning which Congress gave to Armistice Day in 1926: "to perpetuate peace through good will and mutual understanding between nations ... inviting the people of the United States to observe the day ... with appropriate ceremonies of friendly relations with all other peoples."

## THANKSGIVING MEALS ON WHEELS 2013

For well over 20 years Council 5480 has partnered with the Peninsula Agency on Ageing (PAA) to deliver meals on Thanksgiving to those in the peninsula community who would be going without on that day. These are people who normally receive hot meals during the week through the regular PAA meal delivery program.

We are again asking for volunteers to help us make this year's deliveries a success. Normally it should not take more than a few hours of your time and the thanks you receive from the people makes your own blessings more meaningful.

If you have any questions, or are interested in helping call or email Frank Dougherty.
