Dear Sister Columbiettes,
 The leaves on the trees have been just beautiful. With Autumn comes change. The temperature changes, the leaves change and how we arrange our seating will change. It will be exciting and fun.

The National Life Chain held in October was a great success. Many attended and supported life.

Coming up November 18, 2016, we will be helping St. Pauls Abbey make Christmas Wreaths to sell.

Everyone bring a covered dish and arrive at 6:00pm for food and fellowship then we will all help get the wreaths ready for St. Pauls Abbey to sell with their trees.

This month we are bring in pet items and they will be donated to Fr. Johns Animal Rescue.

I would like everyone to think about shadowing Patty Losey this spring for the scholarship committee. She would like to step down as

committee chairperson, but is willing to help. Please pray on it and let us know at Novembers meeting if you are interested.

Don't forget, November is retention month. Please make your best effort to attend the meeting. If you need a ride, please let me know and we may be able to work something out.

We have a special surprise for that night.

President's Message cont.

Saturday November 5th, there will be a mass for the deceased of the Knights of Columbus and The Columbiettes. It will be held at Good Shepherd at 5:00 pm. Please make an effort to be there.

Thanks to all who helped with the membership drive. We do have 6 names to contact about joining.

Don't forget to put aside the weekend of June 23-25 or even just Saturday the 24th for the State convention. Our own Vicki Bird will become State President that day. It would be nice to see her auxiliary come support her.

In December, we will be Christmas caroling at Barnhill, Valley View and The Homestead.

Between the last two we will stop for lunch at Friendly's for a bite to eat.

For all who ordered tickets for the Christmas social, please remember you need to bring in your money to the November meeting to pay Connie back for purchasing our tickets.

I will bring new phone chain lists with corrected numbers to the November meeting. I will also bring copies of the calendar for anyone who hasn't received one.

Please remember that when parking behind the school for our meetings, we CANNOT block the driveway. There needs to be a path that the faith formation students can be picked up behind the school and continue through. We do have to remember that there are children back there so be careful driving back there. Also, it is a fire hazard to completely block the driveway. So, please be mindful when parking and if there is no room, park out front and we will watch for members coming in the front door.

May the angels in heaven protect and guide us all.

Pat Keegan
