## Chaplain's Reflection Divorce

Jesus affirms the absolute sanctity of marriage. Jesus does this because God, who wants only the best for us, wants us to be happy. When a marriage goes wrong, the ensuing divorce is a devastating life experience. It leaves everyone financially poorer. Co-parenting from separate homes is a daunting proposition. So mature couples that make the agonizing decision to divorce do so only as a last resort.

A strong marriage is its own reward. But, as Christians we need to reach out to our divorced brethren in love. Every couple that divorces never imagined on their wedding day that their marriage would ever end. It is too easy for those who have never walked in their shoes, have never experienced the desperation and sorrow of a failed marriage, to believe that "they could have done something to save it."

Although some marriages fail due to unforeseeable circumstances, most fail because spouses did not choose each other wisely and were unable to overcome the ensuing difficulties. When marriages fail, it is beyond the control of God. Assume that a divorcing couple has tried or considered anything you might suggest. Understand that it is not a simple matter of forgiveness. Forgiveness is a freeing of the heart, it is not the same as a pardon. Give your divorced friends and acquaintances the benefit of the doubt.

Marriages fail for many reasons. Most of us think of adultery, addiction and abuse as the usual causes, but these are only symptoms of a bigger problem. The real reason behind most failed marriages is simple indifference, often on the part of one spouse. There is no way a husband or wife can individually save a marriage. When a marriage fails, no amount of effort, enabling or denial will save it.

God's ways are not our ways. God does not condemn any of us for past failures in our lives. So when a marriage fails, God suffers with the couple and offers His grace to lead them to a better life.

## Grand Knight's Station

### *"Doing Works of Charity with His Gifts of Time, Talent and Treasure"*

As November rushes into our lives we pause to remember those who have passed on to be with our Lord. The entire month is devoted to the deceased and the holy souls in Purgatory. At Rosensteel we will continue to devote our weekly Family Rosary to those who have passed and on Tuesday, November 20, we will remember those brothers who have left us in the past year with the Memorial Mass at St. John's Historical Church.

Since the last *Knights Life* we honored Trustee PGK Bruce Cotting as our newest Past Grand Knight. We also took note of all our Past Grand Knights and their value to our Council. We had a fun-filled Sunday afternoon seeing the joy from our little ones at the Children's Halloween Party (that was one scary haunted house!).

If you missed our Candlelight Rosary and Benediction for the Unborn please make plans to come next year. Being held by the Historic Chapel and Old Historic Church gave it striking visual effects. It gave us much needed reflection in our faith.

Did you enjoy seeing that the First Sunday Council Breakfast crew of PGK Mike Miller and his entourage continue at a level that would make chef Gordon Ramsey proud. That breakfast was for the benefit of The Tootsie Roll Program. I thank Paul Girolami for the wonderful job of managing collections at local grocery stores. His hard work and those who volunteered a few hours in front of the stores will go a long way to fund programs in Montgomery County that help the intellectually challenged.

Deputy Grand Knight Gus Gusman finished the incentive Car Raffle and along with me delivered the tickets to the Columbus Day Ball on October 6.

Four Council officers/program directors took child protection training and had background checks to be compliant with the new requirement by Supreme.

Our Recruitment Drive at St. John the Evangelist Parish in October allowed the Council and Maryknights to become more well known. Brothers engaged themselves with parishioners after the Masses. We asked the question, "How about becoming a Knight of Columbus?"

Coming up this month I ask all of you to please support the Maryknights Charity Ball/Silent Auction on Saturday the 17<sup>th</sup>. It will benefit the Spirit Club Foundation. This foundation is an organization that helps the intellectually and physically challenged with exercise.

Food for Families will prepare grocery bags for needy families the

**A “Knight” of Thanks and Fun**

Sunday evening, October 7, eight Past Grand Knights gathered with 40 other attendees for a barbecued chicken dinner and a roasting of our newest Past Grand Knight, Bruce Cotting. With Bruce’s family in attendance, we presented him the customary plaque with gavel noting his time as Grand Knight here at Fr. Rosensteel Council. Other gifts insured that his cigars will stay fresh and his wine cold. Many of those who served him during his year had fun retelling stories about his tenure. Thanks again, Bruce, for making the Rosensteel Council a leader in District 11, the state of Maryland and the local community. You lived your motto:

*“I can do all things through him who strengthens me”  
Phillipians 4:13*

**Chaplain’s Reflection**

*(Continued from page 1)*

Being freed from an impossible, dysfunctional marriage can release one spiritually, mentally and emotionally to become the person God created them to be so that their personal relationship with God can blossom.

The line between a successful and failed marriage is very thin. The very same pressures some couples may endure may break other couples. There but for the grace of God go I. Healthy marriages don’t just happen, every marriage needs constant care. Marriage takes a lot of work.

The marriage covenant with our earthly spouse ends when this life ends. Jesus tells us that there is no marriage in heaven. Marriage is an earthly institution with a heavenly purpose. Marriage is a taste of the love that has existed from all eternity within the Holy Trinity. Marriage demands that we give up our selfish tendencies, to care for another as we would care for ourselves. Marriage is a foreshadowing of our eternal relationship with God and with one another.

God still loves us even if our marriage fails. Jesus showed us this in the story of His encounter with the woman of Samaria at Jacob’s well who had been married five times and was now living with yet another man. Jesus’ tenderness toward her and his sympathy for her situation are apparent. Jesus sought her out, knowing that only a woman living in shame would draw water from a well at that time of day. And Jesus wanted to be alone with her as he sent his disciples away to get lunch in the town.

Jesus never spoke to this woman or any other hurting person in ways that increased their pain. He offered this divorcée “living water,” himself, which was what she had been searching for in all her relationships. All members of our Catholic faith community should do the same.

*Deacon Alan Jeeves*

**Groundskeepers Wanted**

There is a continuing need for help in maintaining the Council grounds. Work includes mowing, trimming bushes, removing tree limbs downed by wind, fall leaf raking and removal, and shoveling snow.

The appearance of the grounds reflect the commitment of the membership and the appearance of the grounds is an important factor when customers decide to rent rooms from Rosensteel Hall.

Interested men should contact Warden Frank Zarrelli at [flzarrelli@gmail.com](mailto:flzarrelli@gmail.com).

## Fraternal Insurance Only Having Insurance "Through Work" Doesn't Work

Do you know anyone whose life or career has drastically changed over the years? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could change employers or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually-owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis so you'll know exactly where you stand.

## The Best of Rosensteel

**Knight of the Month** - This Month's Knight of the Month has been a Knight since 1993. He is a Second Degree Knight and is one of the "Corner Knights" in the Knights' Room. He has served on the Building Association Committee and is the Council building locksmith, so if you want access please be nice to him. He is on a kitchen crew, brunch crew and volunteers as a bartender. He has been seen covered with diamond dirt after managing the Father Rosensteel Council Softball Team on Sunday afternoons during the summer. He is married to Joy and is very proud of his son Bobby. Next time you see him congratulate Dobie "Spike" Holmes who is November's Knight of the Month.

**Family of the Month** - You see them at every Council and Maryknight event (but maybe not the beach party). They are card carrying members of the "Table 21 Gang." Ann is a Maryknight; Bob is an Honorary Life Member and the Charity Fund director. Bob supports our Degree teams and is known as "The Music Man." He is at almost every business and social meeting. Both are members of the Retirees Club. Bob is also a duckpin bowler in the Retirees league and carries a 98 average. I spotted Bob in the kitchen recently. When you see Bob and Ann Brown congratulate them as the November Family of the Month for their dedication to the Rosensteel Family.

## Candlelight Rosary and Benediction for the Unborn

Tuesday, October 16 was a starry, starry night, a beautiful fall evening just after sunset. The Cardinal O'Boyle Assembly 386 Color Corp led Father Calis and 70 others, including the State Life Program Director and the State Pro-Life Couple, Council Brothers, Maryknights, local parishioners and brothers from four area Councils who walked from the Council grounds to the historic replica of the Carroll Chapel where at the Monument to the Souls of the Unborn a Rosary was said.

Following the Rosary, the procession moved through a path framed by candlelight to the Historic St. John's Church for a very moving benediction. Afterward, they dined on spaghetti and meatballs. Those staying showed their generosity with donations of treasure and a diaper cake to the Gabriel Project.

On the 22<sup>nd</sup> of this month we celebrate our national Thanksgiving holiday and the following week our Retirees Club has its monthly luncheon on the 27<sup>th</sup>. What is your favorite Thanksgiving holiday feast? Do you prefer the traditional American roast turkey with all the usual trimmings? The English favor a plump roast goose. and have you had the Chinese preference, duck a l'orange? The Germans' red cabbage and spaetzle is a side dish for everything. The East Europeans pierogis and borscht also goes with everything. So many choices for you. Let's all enjoy the holiday with our family, good friends and good food.

If you are a "Retiree," you are eligible to be a member of the Retirees Club. Why not consider joining all your friends for a delicious monthly luncheon and socialize with old and also some new friends you will meet and soon know.

Do you know there are members of Rosensteel Council that don't even know we have a Bowling League? Can you imagine this? The fact of the matter is that our Council has many good bowlers who maintain very high average scores. Recently, a member scored three strikes in a row (is this called a "Turkey"). Excellent! Congratulations to all our bowling members who make us so proud of your efforts.

Election Day is November 6. Let's not forget our civic duty to our community.

And the Maryknights Charity Ball is on November 17. It is always a popular and well-supported charitable event. Please make every effort to support this worthy cause.

## Children's Halloween Party

On the afternoon of Sunday, October 28, there was a gathering of werewolves, cowgirls, stitched faces and even a bag of popcorn. This was the annual Council Halloween Party. Every child, attending parent and grandparent should be proud of this gathering of Halloween characters; it showed great imagination and creativity.

The afternoon included a Halloween ring toss, pumpkin face-making craft table, the always popular Halloween Bingo, the haunted house and the parade to show off costumes. The crowd was treated to a meal of hot dogs, chips and scary cupcakes.

We thank the Caffi and Dassing families as well as the many Council and Maryknight volunteers for continuing to make this a fun family event.
