### Pray the Rosary

Santa Maria Council Brothers and family members held a "Rosary Rally" on October 10th to commemorate the Fatima visions of Our Lady. The banner on the sign in front of our Council home on Crystal Lake Avenue, Haddon Township, proclaimed our faith to all who passed by. The event in which the Council prayed the Rosary put that faith into action.

### Grand Knight's Message

Brother Knights,

By the time you read this, Halloween is over, and as we look toward Thanksgiving we have detoured to the 2020 presidential election. For some of us, the trick, treat or turkey may not be known until after the results of the election are announced.

I suggest that we make the conscious effort to check our politics at the door. The most important thing we can do, is to pray for whoever wins the election; Lord knows the winner will need all the guidance from God that will be available. We should pray that the winner's ears, mind, and heart be opened to the Holy Spirit so that the elected president may execute his office properly. We need to pray for the loser and the losing party, and that they can put behind it the divisive nature of the campaign behind it. We also need to pray for the nation—that it heals from all of the negativity that was the hall mark of the election season.

These days, when everything is often viewed through the spectacle of politics, leaving politics out of it, may well be impossible. We often try to determine political stances of friends and colleagues by the programs and news outlets that they watch. I remind all of us that a cornerstone of the old degrees of our Order, was that politics should not be injected into the business of the Knights

of Columbus. This was a safeguard to promote unity, and prevent a breakdown along political lines. Praying for the nation is a good way to demonstrate our commitment to each other, over our political alliances. Happy Thanksgiving. *Vivat Jesus!*

## Learn about Guaranteed Universal Life – the new Knights of Columbus alternative to term life insurance

Eventually, most people who have a *Term life* insurance plan or have a *Group Term life* insurance plan through an employer come to the realization that this type of life insurance is not permanent. That is why less than 1% of *Term Life* insurance plans industrywide are in force when needed. They become too expensive and eventually expire. If this is the type of life insurance protecting your family, your

needs and goals, you need to know there is a lifetime, tax-free alternative. Many members eventually convert some or all of their Term insurance to a **Whole Life Plan** with the Knights of Columbus because it locks in a truly permanent plan that earns guaranteed increasing cash value along with dividends that further grow the tax-free death benefit at no additional cost. For members and spouses 50 years of age or older, the *Guaranteed Universal*

*Life* plan is another excellent alternative to Term insurance because of cost, its unique features, and because it is guaranteed to be there when needed most. Let me know if you have questions or would like an illustration of this kind of plan.
