### From the Desk of Fr. Bob Rooney

I read something once “as one begins to age” age doesn’t matter unless you are cheese.”

Years ago I came across a small book that gives us something to think about.

- (1) Everyone had a gift for something even if it is being a good friend.
- (2) There is only two ways to live your life. One is as though nothing is a miracle and the other is everything is a miracle.

What a wonderful life I’ve lived if only I’d have reached it sooner. “Old age is not for sissies”. The older one gets, ones present age must be enjoyed for it is a precious gift, friendship is a precious gift.

Gentleman, the secret to success is that at any age you happen to be, we need to discover, that we are not God. A great man is one who never loses Christs heart. Unfortunately many people do not consider fun as an important item. Fight for the dead and live like heck for the living.

What a wonderful life I’ve lived. I wished I would have realized it sooner. “Life is either a daring adventure or nothing”.

“One has to be at peace with yourself, love to laugh, live to laugh and think laughter”.

## INSURANCE AGENT'S MESSAGE

### Ask Eligible Men to Join

**Growth is our duty** I am a dedicated Knight, as are all of you who read this column. As the insurance agent for your council, my role as a Knight is somewhat different than yours. My goal is to meet with each of my assigned members at least once a year to make sure their insurance needs are covered. In addition to this, I have a number of smaller goals that help me accomplish my main one. Among these is the need to recruit new members.

I want to help this council achieve the coveted Star Council Award. I want all the eligible Catholic males in the area to become Knights so they and their families can be part of this great Order. To that end, I am here to help this council with its recruiting efforts.

Remember, most men who could join but haven't yet are merely waiting to be asked. They likely do not know about the many good deeds done by the Order and its members on an annual basis. It is our job to ask them and tell them that with minimal commitment, they too could be Knights.

I make my living and support my family by talking about the Order and the benefits of membership. I would be more than happy to speak with any potential candidates, especially those who may be right under your nose. Is your father, brother, cousin or neighbor a member? How about the man sitting in the next pew at Mass? Strike up a conversation and see where it goes.

To fulfill Father McGivney's vision is our goal. Growing the Order and educating all members about the benefits of being an insured member is the way to do it.

Fraternally,

*Michael Scholz, FICF*
