Grand Knight Message

Our Lady, Queen of the Knights, bless all the activities of our Order. Keep us true to the pledge to extend the kingship of thy Divine Son on earth. Through Thine intercession, win for us the grace ever to exemplify in our public and private lives, the virtues which should characterize those specially dedicated to the service of the heavenly court. Make us always aware that as your Knights we are constantly observed, our faith judged and our Order appreciated. Accept, O Mary, this renewed pledge of fealty and devotion of thy servants, the Knights of Columbus.

This being the month dedicated to the Most Holy Rosary, I wanted to reflect on this most powerful weapon given to us by our Blessed Mother and so readily available to us all. The Feast of the Most Holy Rosary is the first Sunday in October. This date is attributed to by early tradition to the defeat of the Albigensian heresy in 1213, or by others, to the defeat of the Turkish invading fleet in 1571. Whichever date one is inclined to acknowledge as the inception of this feast, it really does not matter. All we know is that through the Blessed Mother's intercession, we are protected and kept safe – as long as we continue this devotion by frequent, fervent prayer.

Our Supreme Knight Carl Anderson writes, "Our lives should be a journey toward a spiritual destination. If an eternity with Christ is our goal, then our journey should be oriented to that objective."

One of the basic truths of our faith that we must know in order to be considered Practical Catholics can be downright disheartening to hear. It is difficult for the unaided human to live up to the Commandments of God. Even though as Knights we swear to uphold God's sacred laws and by example and inspire others to do the same, we are at the same time called to acknowledge that we are sinful creatures who, left to our own devices, will give into the temptations that lay in ambush for us. Beginning with this month of October, may we all promise to pray our Rosary, not only for ourselves, but for everyone around us.

"My hope is for us to come together not only embracing shared beliefs and values, but acknowledging our differences in ways that promote respect and appreciation. To ask for a shared vision is a fair and legitimate human proposal; what is not fair and legitimate is to dictate the ways on how we get there. If we are to emerge from the long shadows that can engulf us, we must talk with each other, come to understand each other, and renew ourselves and our perceptions of each other." -Alma Abdul-Hadi Jadallah

Dan Richard - Grand Knight***

Family of the Month

Brother Angelo and Carol Cavone

Our Family of the Month for October is a quiet couple, but they can be seen helping our Council in oh so many ways. They accepted the Family Director position and have taken it on in a full stride. The Laser Tag was a big success and they have planned many more activities for the families of our Council. When they are not chairing an event, they are volunteering their time and effort to make it a success for other Directors. They are proud of their two daughters and their son, which they should be, because of all their accomplishments. I am proud to have them as members of 5480. Please help me congratulate the Cavone family as our Family of the Month.

**Brother Rick Schirm**

Our Knight of the Month for October is a hard working dedicated brother. You can find him doing Quality Control on Bingo nights, tending bar in the lounge, volunteering at most events and anything that he is asked to do, and he will definitely do for any member asking for his help. He can put a smile on anyone's face because of his kind words and gentle demeanor. He truly exemplifies our Order in many, many ways. He may have transferred to 16226, but he will always be one of ours at 5480. Please help me in congratulating Brother Rick Schirm as our Knight Of the Month.

From the Deputy Grand Knight

Brothers, we had a very successful recruiting drive and Open House in September, however we should continue to recruit new members to meet our goal. To that end there are several family and youth activities in October that can introduce new gentlemen and their families to the Knights of Columbus. The Youth Halloween Party is always popular with the kids and is an enjoyable day for all. We have an upcoming first degree on 13 October, followed closely by a second degree at 511 and a Third degree in our Hall on October 17th. There will also be a Family outing to a Pumpkin patch on October 17th. Please continue to support Adopt a Spot, next scheduled date is October 24th.

***We Stand Strong On Ethical Ground***

Some people believe that ethics in business is a contradiction in terms. They think that in order to be profitable, a company and its leaders must abandon morality and embrace the dark, greedy side that they see so often in the news and in movies.

At the Knights of Columbus, we know this isn't true. A business can be both ethical and successful. We are. As a Catholic organization, we understand the value and importance of our core beliefs and the original mission of Venerable Father Michael J. McGivney. In fact, much of the strength and financial security we provide to members and their families can be attributed to our ethical, moral standards.

More than 96 percent of Knights who buy our life insurance keep it, year in and year out. The Order takes this commitment to our members very seriously. This means carefully planning when it comes time to invest. Our professional staff researches all transactions to insure that they fall in line with Catholic values. If a transaction makes them uncomfortable, they don't make it.

"We exclude any company engaged in activity that conflicts with Catholic moral teaching: companies directly involved in abortion, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of these, or pornography," said Supreme Knight Carl Anderson. "There are many companies in the pharmaceutical and communications industries that would undoubtedly provide excellent returns for us, but which are not in our portfolio because they engage in research and development or programming in ways that violate the sanctity or dignity of human life."

In the end, the Knights of Columbus investment strategy is motivated by morality, not money. Yet, each year we remain profitable, increase our assets and stay dedicated to this vision that will keep the Order financially sound for generations to come.

But don't just take our word for it. In 2014, the Knights of Columbus was named a "World's Most Ethical Company" by the Ethisphere Institute. We were one of only two life insurance companies to earn the honor. "Faithful Catholics have choices when buying life insurance," said the Supreme Knight. "But they know that at the Knights of Columbus their policy is supplied by an insurer that shares their moral and ethical values and is guided in all of its investment and sales practices by those values." Columbus Day, October 12, 1492 – Celebration or Controversy.....

Celebrated on the second Monday in October, Columbus Day marks that day in 1492 when Christopher Columbus set foot in the New World. Today, parades and parties in many cities and towns commemorate the holiday across the United States as well as Latin America and Europe. Although it began as a celebration of the achievements of one man, Columbus Day has come to mean many things to many people. Italian Americans celebrate the history of their culture, Latin Americans celebrate their ancestors and Native Americans celebrate their people's resistance to invaders. The history of Columbus' voyages and what has happened in the places he claimed for Spain has led to both celebration and protests in many parts of the world and continues to be a topic of discussion. On Monday, October 12th (coincidentally being the second Monday of the month of October) the patriotic arm of our Order will once again participate in the annual "Columbus Day Celebration" at Columbus Plaza in Union Station in Washington, D.C. At least 100 Sir Knights in full regalia are expected adding beauty and dignity to this celebration. Members of the Honor America Corps of the Rappahannock Assembly will also be participating. Please see me if you would like to join me in attending.

Laser Tag Party “Hits the Target”...

On Sunday September 13, 2015 the Youth Directorate of Knights of Columbus Council 5480 sponsored its **fifth annual Laser Tag Party**. Approximately 100 participants, their family members, guardians and friends enjoyed a fun afternoon of Laser Tag games, food, music, dancing and other games. Attendees from area churches and schools, ranging in age from pre-Kindergarten to adults came together for four hours of fellowship and comradery.

Brother Knights from **Councils 5480 and 16266, their spouses, family members and Catholic Daughters working together made the event a success**. In advance of the event generously donated flyers were distributed and tickets were sold by volunteers at area parishes and schools. On the day of the event approximately 20 volunteers worked together to sell tickets, distribute pizza, snacks and drinks, entertain and monitor participants allowing the guests to focus on enjoying their day. In addition a Knights of Columbus/Catholic Daughters recruiting table was setup enabling visitors to learn more about these organizations and inquire about joining these organizations.

This annual event satisfies one of the primary objectives of the Youth program by bringing the youth of the community together in a safe; kid friendly environment that allows participants to have a bit of fun in the company of their family and friends thus instilling in them a sense of “belonging” and community. **Events such as this exemplify through action the Unity and Fraternity** principles of the order.
