Grand Knotes from the Grand Knight

Dear Brother Knights:

On Saturday, October 8th, Brother Knights Tyler and Rick Langel will be hosting our annual pig roast at Tyler's acreage east of Bennington. This is a great event. If at all possible, please try to attend along with your family. It is a very relaxing atmosphere with plenty of space for the kids to enjoy. If you know of someone who might be interested in becoming a Knight, please bring them and their family along. Thank you to Tyler and Rick for doing this for our council.

Speaking of Tyler, he has been our membership chairman for the last few years and has done a fantastic job in that role. He has suggested to me that he would like to turn that chairmanship over to someone else. If you have an interest in taking over this critical role in our council, please let me know.

Membership growth is often defined as the lifeblood of our council. Please think of parishioners who would make good Knights and ask them to join our organization. Please contact me or Tyler if you have someone who is interested in joining the Knights. We will be scheduling a first degree ceremony soon.

Our first pancake breakfast is October 9th. If you would like to help out, please contact Jack Wojtas. It is always a good chance to spend some time with fellow brothers and to serve our parish.

Sincerely,

*Mick Morrell
Grand Knight*

New K of C Documentary on Mercy to Air on ABC

Among the stories shared in the documentary is that of Jennifer Trapuzzano, here pictured with her 2-year-old daughter, Cecilia. Jennifer was 9 months pregnant with Cecilia when her husband Nathan was killed during an attempted robbery, April 1, 2014. Jennifer has since publicly forgiven her husband's murderer, speaking of mercy at his sentence hearing.

The Knights of Columbus' new documentary film, *The Face of Mercy*, will air on ABC affiliates across the U.S. from Oct. 16 to Dec. 16.

Narrated by Jim Caviezel, *The Face of Mercy* explores the history and relevance of Divine Mercy in our turbulent times. Watch its story unfold, from the Polish nun who received powerful visions of a merciful God, to her countryman Pope John Paul II, and to Pope Francis' declaration of the Year of Mercy. Filmed in stunning 4K and seamlessly weaving together theology and history with modern testimonials, this stirring film creates a remarkable tapestry of what constitutes the face of mercy in our modern world.

Meet a woman who found freedom in forgiveness after seeing her family wiped out by genocide, a former-NFL linebacker who walked away from football to share Christ's mercy with the homeless, a baseball player who traded MLB ambitions for the monastery, a priest with a drug-dealing past and a young widow who chose mercy toward her husband's killer.

The Value of Membership Referrals

As a professional insurance agent, one of the things I appreciate most is when one of my brother Knight clients or his wife refers another member to me. This is a great endorsement of the service I provided. It tells me that they were so pleased with what I helped them accomplish that they want me to help others achieve the same level of financial safety and security. When I meet with you, please pass along the names of those who might be able to benefit from the analysis that I provide.

Similarly, there is no stronger membership recruiting tool than the referral. How many of us know an eligible Catholic male who is not a member of the Knights of Columbus? Do you have Catholic family or friends, local or not, who have yet to join? Most likely, they've never been asked and don't know enough about the Order to seek out membership on their own.

If you have names of potential members, please pass them along to me or your Grand Knight. Let us know if we can use your name when we contact the gentlemen in question. It's always more effective to tell a candidate for membership that he was recommended by a current member, especially someone he knows. Don't worry if the candidate is outside the area I serve or beyond the district of the local councils, we can make sure we put these future members in touch with the right people in their communities.

New members are the lifeblood of the Order. All the good deeds done by the Order are driven by the members. Over the past decade, Knights have given more than \$1.55 billion to charity and provided in excess of 673 million hours of service. And our membership has merely scratched the surface in North America. Imagine the potential.

Thank You,
