## Chaplain's Reflection Power of Prayer

A God who is love always wants the best for us. God loves us so much that he wants to give us everything that will make us holy and provide us with all of those things that will make us truly happy. But, we need to ask. Even though Jesus tells us, "Ask, and you will receive," sometimes we don't bother to ask. We may even be afraid to ask or lack confidence in God to ask.

Perhaps we believe that God is far too busy to bother with us in the first place. But God is infinite, He is not limited by time and space. Obviously, we may not be able to tend to the individual needs of the seven billion people on the planet today. But, we are not God. We have limits, God does not. So God can meet the needs of each and every person in the world as if they were the only person in the world.

Perhaps we believe that since God sees everything, praying to him isn't going to tell him anything he doesn't already know. Yet when we find that special someone of our dreams, we never stop telling that person how much we love him or her, even though surely that person already knows. And if we were to stop telling, our relationship with that person would end sooner or later.

Perhaps we may think it's just a waste of time to pray. We figure that God is going to do whatever He wants to do anyway. So not only is it useless to ask once, but God may even get angry if we do not stop asking. However, God did not get angry with Abraham when he kept begging Him to spare the innocent people in Sodom. And because of Abraham's pleadings, God spared all of the innocent.

So God *does* answer our prayers. And when He answers our prayers He does things that he would not have done if we had not asked in the first place such as saving the innocent of Sodom. Abraham changed the course of history. And we can, too. Prayer does change things! Our world can become a better place through prayer. We can become better people through prayer. And we also can have a role in shaping human history through prayer.

God loves us so much that he wants us to share with Him everything that is near and dear to our hearts.

## Grand Knight's Station

**"Preach the gospel and if necessary, use words!"**

### Speak Charitably, Bear Wrongs Patiently and Forgive Offenses Willingly

As members of the Knights of Columbus, we should always participate in fraternal activities as Catholic gentlemen. We expect our members to address each other in a spirit of Charity, the first principle of the Order, even when some of our brother Knights fall short of this high standard. This means that members should engage in measured and respectful dialogue and debate, even when discussing matters which members may hold strong opinions and opposing views. To bear wrongs patiently and to forgive offenses willingly are spiritual works of mercy that every Knight should maintain in his heart (guidance from Supreme Council).

For some time now I have wanted to remind all of us, myself especially, of this. We have strong opinions and emotions, but must remember that we are members of exclusive Catholic fraternal organization. And as you know, the Prayer of St. Francis is one of my favorites. Please work with me together to exemplify the message of this prayer, as well as the above principle of the Knights of Columbus.

*Rosensteel Strong!*

*Vivat Jesus!*

## **Tootsie Roll Program**

It's that time of year again...the Nats are winning and the Skins are losing. Oh, and it's also time to contribute to the Tootsie Roll Program to help those with intellectual disabilities.

Did you know that the Knights of Columbus helped found the Special Olympics and continues to sponsor them to this day? But I digress. When asked how they would like to help with this worthy cause, most members, and when I say most let's peg it at 99%, would like to send a monetary donation rather than going to Snider's or Giant asking for donations. That being the case please send your donation or better yet drop it off and have a beer. The address is Fr Rosensteel Council, 9707 Rosensteel Ave, Silver Spring, MD 20910. Make your check out to K of C-2169 and put Tootsie Roll Program in the memo.

Keep looking on our website (<http://uknight.org/CouncilSite/?CNO=2169>) and at the Council for times and dates of our "at store" collections and be sure to sign up for a shift or two.

Thank you in advance for your donation and honoring our First Degree of Charity.

**Chaplain's Reflection**

*(Continued from page 1)*

When we pray, we are telling God that there is an individual, a situation or a personal need that is very important to us. God wants to hear these things from our lips! And God wants to give us the things we need.

We can be assured that God will answer each and every one of our prayers in His way and in His time. We just need to remember that we don't know what his answer would be since we do not have the benefit of His eternal perspective. So sometimes God says "No." And that's a good thing. As C.S. Lewis once said, "we'll spend eternity thanking God for the requests he didn't grant!"

Yet we can be certain that when God says "No," it's because He has something better in mind for us. This might be hard to appreciate at the time of our asking, especially if we're suffering since surely a loving God would only want to take away our pain. But that's when faith is needed. Faith that God always knows best. And faith that with wisdom and hindsight, we might see that God's plan was ultimately better than ours.

**Manly Men**

*Rallying the Troops Rosensteel Style: When PGK Terrence Moore (third from left) sent forth word that the Council building and grounds needed urgent attention, the call was heeded by these fine fellows above (see page 5 for more details on what was accomplished). And if you see any of the above around the Knights' Room, or other workers not shown in this photo, be sure to say thanks for making Rosensteel a cleaner, more welcome facility for all.*

## The Best of Rosensteel

**Knight of the Month** - Our Father Rosensteel Knight of the month has been a member of our Council since 1996. He is involved in all aspects of the Council. Tending bar, kitchen crew, working events and has spearheaded the new Council volunteer and building initiative. Oh, did I forget to mention, a Past Grand Knight too? His wife is a Maryknight and they have two sons who are Knights.

When you see him, the hardest working man in show business, give PGK Terrence Moore a big thank you and congratulate him for being the Father Rosensteel Council October Knight of the Month!

**Family of the Month** - This family has deep roots at Father Rosensteel Council. He joined in 1963, is a Fourth Degree Knight, a Past Grand Knight, was active in promoting the Capital Improvement Fund, is a member of the retirees bowling league, was on the Bingo Committee and has been active in most all of the programs throughout the years. His wife is a Maryknight and, like their daughter and son-in-law, they met at the Council. Their son-in-law is a Knight and their granddaughters are a fixture at Keep Christ in Christmas and Easter Party events and have even joined John Lyon in performing. Most recently, this family was instrumental (excuse the pun) in the King Soul performance in September.

So when you see SK PGK Dave "The Captain" Morgan, Virginia Morgan, Brian and Lisa Slattery, and Morgan and Karen, congratulate them and give them a big thanks for being the Father Rosensteel Council Family of the Month!

In lieu of a Social Meeting scheduled for October 15, please bring the family and invite parishioners to join us at 7 p.m. for a **Candlelight Rosary** as we commemorate the 22th anniversary of the Memorial for the Unborn.

We'll pray the Rosary with Father Calis and attend a Benediction in the Historic Church. Afterward, all are welcome to join us in the Emerald Room for a complimentary meal. Donations will be accepted to benefit the Gabriel Project. We look forward to your participation and prayers!

## Fraternal Insurance

There was a young boy named Julius. When Julius was 7 years old his mother, Irene, who was 37, died of cancer. The family was forced to rely on the help and generosity of friends and relatives because Irene died without life insurance. Fast forward to Julius some 30 years later and he is married, has a wife and two children. He's done quite well for himself both professionally and financially. He has had a distinguished career and he has a considerable amount of life insurance to protect his family.

Julius understands protection quite well after the early life he experienced. In his professional life he enjoyed considerable success because of those that protected him. His nickname was "Boomer"...Boomer Esiason - a four-time Pro Bowler, an NFL Most Valuable Player and a Walter Peyton NFL Man of the Year. Most importantly, a husband to Cheryl and a father to Sydney and Gunnar.

"Life happens at the most unexpected of times, and life insurance is about protecting the future and the people you love," Boomer says. "Remember, if something happens and you haven't done the planning, the people you leave behind will feel the brunt of your mistakes."

Let's sit down and do some planning and put your mind at ease.

Can you remember the largest cathedral or basilica you have visited? In this area we have the National Cathedral (Episcopalian) on Wisconsin Ave. Across the city we have the National Shrine, a basilica next to Catholic University. The cathedral is 7,712 sq. ft. The National Shrine is 7,097 sq. ft. By comparison, St. Peter's Basilica in Vatican City is 15,160 sq. ft. But the true giant is no longer a Christian place of worship.

The Hagia Sophia is in Istanbul, Turkey. It and the surrounding grounds comprise 200,000 sq. ft. It was built in 537 AD when the city was known as Constantinople, named after the Roman Emperor Constantine who was the first Christian emperor. With the conversion of the emperor in 325 AD, Christianity became the unofficial religion of the Roman Empire. When emperors moved back to Rome as the seat of government, the Hagia Sophia became the seat of the Eastern Orthodox Religion. This would remain so until 1453 when the cathedral was repurposed as a mosque for the growing majority Muslim religion of the country.

In 1934, the Turkish president secularized the building as a museum. It was deemed to be part of the UNESCO World Heritage Sites. Today, no religious activity is allowed in the Hagia Sophia. But as a museum, it is a very popular attraction to all.

Have you ever noticed the two red broad-brimmed cardinal's hats (Galeros) suspended from the ceiling in the nave of St. Matthew's Cathedral? Traditionally, this symbol of a cardinal is raised in his cathedral upon his death. The hat hangs until it turns into dust, a reminder that all earthly glory is passing. Did you know there are three former cardinals interned in St. Matthew's? They are as follows: William Cardinal Baum, Patrick Cardinal O'Boyle and James Cardinal Hickey. Interesting note: Cardinal Mundelein died in Chicago in 1939. His red Galero still hangs in the Holy Name Cathedral, built in 1874, at 735 North State Street.

**Caution:** Our monthly luncheon is on the 4<sup>th</sup> Tuesday of the month, the 22nd. This month we have a fifth Tuesday. Don't be confused on the date.

The always popular Christmas Luncheon will be on December 17, which is the THIRD Tuesday of the month. Tickets can be purchased from Ray Koski at the October luncheon. The cost will remain \$15 per ticket. There will be a wide variety of appetizers offered before the main meal and several door prizes will be awarded. Of course, your dues must be paid in order to buy a ticket to the luncheon.

Happy Fall! Our first meeting and Mass were well attended and Father Calis, Deacon Jeeves and the Fourth Degree Color Corp served our Memorial Mass with dignity which honored our deceased members. After Mass we gathered in the Columbian Room where the meeting was called to order. Our Grand Knight Gus Gusman and DGK Paul Girolami thanked us for our continued support of the Council and gave a brief look into upcoming events, including the Council Picnic on September 29. I hope many of you will attend.

The membership voted to grant Lifetime status to Helen Damiano, Cecile Fecteau and Aline Morin. Congratulations, ladies, and thank you for your years of service and dedication to the Maryknights! You truly have shown by example what it means to be a Maryknight.

After hearing all committees check in and all business conducted, we drew the name for the first winner of our NEW attendance (incentive) prize. Congratulations to Dolly Hammer! Remember: you must attend the meeting to win. ONLY those present will have their names placed in the "hat." This gives you much greater odds of winning!

Refreshments were provided by the Executive Board and it did a great job! A very enjoyable time was had by all and would have gone on longer had it not been so late.

The next Council Sunday Breakfast will be December 8, the Feast of the Immaculate Heart of Mary. It would be great to see a few more Maryknights in attendance to eat or help with serving and setting tables. We have lost helpers this past year due to illnesses and relocation. We could use some new faces. If you need more information, contact Terrence Moore at [tpmoore@pbs.org](mailto:tpmoore@pbs.org) or call 571-436-5776. You may also contact Margie Cuff.

You should have received an e-mail this past week asking for help with the NCPD event taking place November 8. A meeting has been scheduled for Monday, October 7, at 7 p.m. at the Council. This meeting will sort everyone into the areas in which they are most comfortable working. We will discuss the expectations of each subcommittee, so you have a clear idea of what you are volunteering for. It is important to do some brainstorming with the group based on the NCPD's hopes for the evening. We are experienced with an event like this. The more input and new ideas the better! Please join us! Please contact Margie (240-620-3107; margiecuff@gmail.com) if you are planning to attend, help or need more information.
