Faith In Action – LIFE: “Catholics must be committed to the defense of life in all its stages and in every condition” (St. John Paul II, 1995). The urgency of the threat to a culture of life in our world cannot be misunderstood. The Knights of Columbus vigorously defend the dignity of each human being at every stage of life. The Knights of Columbus at St. Catherine Laboure support

life affirmation programs by fundraising with its Tootsie Roll Drive (Cardinal Glennon Children’s Hospital), and the Pro Life/Special Olympics evening dinner, funding the

purchase of ultra sound machines, March for Life and Novena for Life.

Did you Know...?

When you see Knights in yellow vests you should smile. When these Knights are holding their bright cans and collecting donations around town, they are helping to recognize the dignity of every person. For every donation, each donor is offered a piece of candy by the Knight present, most commonly a Tootsie Roll. Because of these little gifts of appreciation, the "Campaign for People with Intellectual Disabilities" is frequently referred to as the "Tootsie Roll Drive." It is a popular and successful fundraiser conducted by Knights of Columbus councils.

Knights of Columbus Council 12323 St. Catherine Laboure has collected over \$32,562 since 2014, (doesn't include the October 2019 drive in progress).

So the next time you see a Knight in a yellow vest asking for donations outside a grocery store, and you receive a Tootsie Roll, remember it's more than a "Tootsie Roll Drive." It's a chance to provide people with intellectual and physical disabilities more resources to live a happy life. Learn more about the Tootsie Roll drives across the country at www.kofc12323.org.
