October 2011

GK Frank Saavedra

Brothers,

At the 8:30 Mass on Sunday, 9/25, something Fr. Greg said in his homily hit home with me. He was talking about obedience and laws. He said that laws are in place to keep order, peace and safety in our society. God's Laws help us keep order, peace and serenity in our lives. The most important of all God's Laws is, "Love all people as yourself". I've often heard it a little different but with the same meaning, "Love your neighbor as yourself".

In our busy lives we often lose sight of that law. The struggles of life seem to push us away from thinking of others. In these tough times we tend to have to be a little tougher ourselves.

That's why being a Knight can provide us an opportunity to live that law. It gives us a way to help our neighbor in a lot of different ways. We can leverage our contributions by doing that as part of a larger group. Those who helped with the PWID drive

gave a few hours to provide help for so many others. Please consider getting more involved to help so many of your neighbors by giving a little of your time to your council's activities.

God Bless!

### What is it to volunteer with the Knights?

Giving of one's time is certainly a sacrifice. Many of us have families, work and other activities that present barriers whenever we are called upon to give of our time to help support the many activities that our counsel is involved with. However, your sacrifice is well worth it!

We became Knights because we wanted to do something for our church and community. There are so many of

our parishioners that benefit from what we do that it amazes me we generally only have the same folks who consistently are present to provide the support that make these events successful.

It is not all work. I suppose some of the things that bring us all together is the camaraderie shared among us and the sense that we are doing good things for our fellow parishioners. You might be pleasantly surprised by the amount of satisfaction you too can have by attending a meeting and participating in one or more of our council events or activities.

I invite each of you, especially those of you who have not been able to participate in the past to accept my invitation to any and all events, meetings or get-togethers in the future. When you see that an event is coming up and you don't know anything about it, stop by at one of the tables outside Mass and talk to one of the Knights who might be selling donuts, selling raffle tickets or just standing around talking for information on who to contact. Our Newsletter generally has contact information as does our website (<http://kofctucson.com>). Be involved.

Join us, have fun and do good works with your fellow Knights!

## Degree Presentations, Awards and New Members

Emil J. Estopare has joined our council. He was a former member in California and decided to rejoin the Knights and our council. He tells us he enjoys cooking and I am sure we can provide many opportunities for him to do what he enjoys. He has already volunteered to help with our recent PWID drive.

Please extend a hearty welcome to Emil.

## PWID (Persons With Intellectual Disabilities)

Thank you to all that signed up to help with our drive to support those that have intellectual disabilities. Your support enables us to provide needed funds to charities such as the Special Olympics. Below are some pictures of a few of you that were at stations around the church and our community.

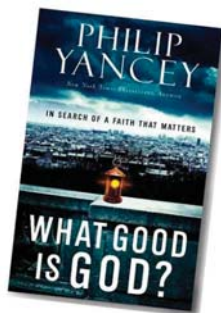

## Readers Review

By Dave Conca

### *What Good is God?*

By Philip Yancey

In *What Good is God?* Journalist and spiritual seeker Philip Yancey travels the globe in search of an answer to the question everyone asks the world over: 'When life gets tough, does what we believe about God really matter?'

Yancey speaks to grief stricken students following the Virginia Tech: Campus Massacre, to Christians persecuted in China, where the winds of change are beginning to blow in Christianity's favor and to shell-shocked citizens in Mumbai, India. He also visits the motel in Memphis where Martin Luther King Jr. was assassinated and speaks at a conference of reformed prostitutes – each stop provides a clue to answering the title question.

The author's search is presented in a unique way as he relives the dramatic stories behind these occasions, enabling the reader to get a better sense of the 'story behind the story'. This book provides firsthand evidence that faith really does work even when our beliefs are severely tested.

This is Phillip Yancey's latest novel, released in October, 2010. He is the author of many Christian based books that explore how God is with us every day, in every circumstance!
