GRAND KNIGHT'S REPORT

GrandKnight@kofc7612.org

Once again, I'd like to thank you all for pitching in and helping out last month. With last minute changes and often undesirable atmospheric conditions, we pulled together and met all of our commitments in the manner to which our community has become accustomed.

Our pit-beef and concession stand events are seeing more volunteers, but we have still been short-handed. Please take a look at the schedules. If you think you may be able to donate a little of your time, give Tom or Tony a call.

Now that I've got your volunteer gears grinding, I'll make a plug for donating your gift of talent to our spiritual community. The parish is in need of more support from the laity (that's us, guys). There are countless opportunities to help out and maybe even strengthen your own spiritual path in the process. Just a few things from the top of the list: take part in the parish outreach to the prison in Sykesville, be a Lector or Eucharistic Minister, assist with the youth ministry. If none of these activities are right for you, I encourage you to take a few minutes at one of our meetings and ask our Worthy Chaplain, Father Neville, what else there might be that could make use of the talents that God has given you.

This month, we honor Christopher Columbus with pomp and parades. It's a great opportunity to spread the word of who the knights are and encourage membership.

I hope to see each one of you at one of our meetings this month. The business meeting is on the 12th after which we will elect new home corp. board members. The social meeting is on the 26th featuring our annual Halloween party. Wear your favorite costume (or don't) and bring a dish for the potluck.

7612 Council Family,

The Home Corp. continues to make great improvements to your council home. We have been renting the hall and the money we are making is going toward paying off the loan for the bathrooms. If you are interested in renting the hall please contact Dan Hundertmark at danhundy@verizon.net so he can save the date for you. We decorate the hall beautifully for Christmas and it makes a great place to hold your work party or just to have your family over.

This month we will be renewing or replacing 5 board members. All of the directors have a three year term and they are staggered each year for three years so they do not overlap. Five

members are up for reelection or replacement if they want to leave. Frank Mac cannot continue on the board so his spot is going to be vacated. Here is the list of directors provided to me by the nominating committee;

Worthy Home Corp President Tom

On behalf of Harold and Otto, I respectfully submit the following Brother Knights, all members in good standing, as our nominees for the 5 director's chairs that are available.

- Tom Harrington (current expiring directorship)
- Dick Perron (current expiring directorship)
- Steve Ransdell (current expiring directorship)
- Dan Hundertmark (current expiring directorship)
- Greg Lynch

Respectfully

Ray Miles

Home Corp Nominating Committee

After the council business meeting on October 12th we will hold an election for the 5 director seat for the next three years. Nominations can be brought from the floor so if you would like to be on the home corp. board, when we ask: "Are there any other nominations please speak up or hold your peace till next October when the next 5 chairs come due", please speak up.

The following week the four officers will be elected from the 15 board members. The positions are president, VP, Treasurer and secretary. An official announcement of the new directors and officers will be in the next communiqué.

DISTRICT DEPUTY'S REPORT

Louis W. Stachowiak

lwstack@gmail.com

Brother Knights and Families,

This 1st quarter's activities sponsored by the councils in District 21 expressed the vitality energy, and enthusiasm from the officers and members. I found that those I attended were well planned and a lot of family fun! With the same diligence, share those details in your Program Reports, now coming due.

As we flip the calendar over to October, your councils are teaming with activity. Most councils kick off their "Campaign for People with Intellectual Disabilities" this month and it is a time Knights are active and visible in the community. Keep form 100s with your tootsie roll supplies and be prepared to answer questions regarding who we are and why we are here. Opportunities present themselves to open our doors to new members. I applaud councils in the District for their recruitment efforts during the 1st quarter, giving all a quick-start towards reaching our goals this year!

Car raffle sales, the Soccer shootout, and the Catholic Citizenship Essay Contest are a few of the statewide programs in full swing. **The District Soccer Shootout will be held on October 15**, at the St Joseph Catholic Community in Eldersburg, from 10 am to 2 pm. Together with local council activities, these events create additional opportunities for every knight to be creative and have fun assisting their councils.

October is also Respect Life Month. Help your council with planning and promoting life at every stage especially this time of year.

The Council celebrated the end of the summer with our 2nd annual End of the Summer Picnic! Just to add a new touch this year, we decided to have the picnic inside, rather than outside. The weather cooperated and provided storms outside while the sun shined inside!

Our Worthy District Warden, aka Tom Gruel cooked the hamburgers and hot dogs. Corn on the cob was picked fresh that morning and 77 Knights, family members and friends provided salads, chips and plenty of great desserts.

After dinner, a challenging trivia game was conducted and the table led by Ann and Ed

Budelis took home the prize for answering the most trivia questions. Many of the audience thought that Ed had an advantage because of his age and vast knowledge!

Our Grand Knight welcomed our special guests State Advocate Steve Cohen and his wife Vicki, our Council's own Supreme Director Ron White and his wife Jackie and our District Deputy Lou Stachowiak and his daughter Kathryn. We were also privileged to have Father Neville and Brothers Jesse and Mike join us.

Then, the valuable door prizes were given out which was very exciting. Marsha Smith took home the grand prize, a Weber Barbeque Grill. A variety of games took place with Jeanie O'Sullivan winning the coin toss again! She is the undisputed Coin Toss champion of the Council! The children played a very tough ring toss game as well as a bean bag toss game.

Everyone really enjoyed a great night with the socializing and great company. Thanks to the social committee for a wonderful evening of enjoyment.

NEXT MONTH – HALLOWEEN PARTY!

On Wednesday, October 26, we will have the Council Halloween party! This will be a costume party for both the adults and the children. The dinner will be a Pot Luck. Whatever everyone brings – we will eat! Remember; if you bring a dessert make it a spooky, scary dessert. If you choose not to wear a costume you are still welcome to attend.

Feel free to bring your family, friends and any other guests.

Please respond to me no later than Monday, October 24th. Hope to see you all there!

Many thanks to everyone who joined us on Friday, September 16, 2011 at the Oakmont

Green Golf Course in Hampstead for our 18th annual golf outing. Our recipient this year was Cormac "Mac" Murray. Mac has a rare genetically inherited terminal disease called MLD. There is no treatment and no cure for this disease. The weather cooperated with us and we had 22 foursomes. Everyone enjoyed themselves and Mac's parents Brian and Ammie extend their thanks to all. Brother Jay Fuller's team took home the first place trophy. A special thanks to all of the volunteer workers!!!

Again this year thanks to Brother Harold and his wife Kristin for their generous donation we will be conducting the "Ocean City Condo Raffle." We hope to have the chances printed and available next month.

We are also soliciting vehicle donations to support our scholarship fund. If you or anyone you know would like to donate a vehicle please contact me. We will sell the vehicle and provide you with the appropriate paperwork for your taxable deduction.

Ladies,
My thanks to all those who attended our September meeting. Once the president showed up, things went well. Again, you have my sincere apologies. I really thought the meeting started at 7:30. I think I may have even posted that time in my last article. I sincerely hope to never be late again!

We discussed many of the projects and programs that we are looking to support this year. Heather shared the experience her family recently had welcoming home servicemen at BWI. Operation Welcome Home is a program already in place that relies on donations and volunteers. We decided as a group to support this worthy cause. Jeanne O'Sullivan and Linda Stanley generously offered to take point on this. We also discussed the idea of a Quarter-mania as a fundraiser in April. I will take the lead in this endeavor.

The September Knight's social was the end of summer picnic. It was well attended and fun was had by all. The prizes won were truly valuable.

Upcoming in October we have our monthly meeting at **7:00** on the 19th, and the Halloween social is on the 26th.

One last note, don't forget to bring your Glory Days itemized receipts to the meeting. We have a few more months to cash in on this very simple fundraising activity thanks to the efforts of Diane Eagle.

Thank you and God Bless.

Protect your greatest financial asset with new Income Armour disability insurance from Knights of Columbus. When I work with couples who are before retirement age, I ask them what they consider to be their most important financial asset. Quite often they will answer, "Our house". But in reality, the most important financial asset for young and middle age couples is the ability to earn income. Income Armour, the newest addition to the Knights of Columbus portfolio, is disability insurance that offers monthly untaxed payments to the insured to replace income when he or she is unable to work due to injury or illness.

It is surprisingly affordable. In fact, I believe we cannot afford to be without it. It is a critical form of insurance that protects your paycheck.

Nearly one in four men can expect to suffer a disability that keeps him out of work for 90 days or more during his working years. For women, the odds are even worse: one in three. One in every seven workers can expect to be disabled for five or more years before retirement. What about Social Security Disability Benefits? Well SSDI claims have always been difficult and slow to be approved and, of course, there is more pressure on that fund now than ever before.

Income Armour is Knights of Columbus insurance, a strong, stable and Catholic principled financial institution. In fact there is no better rated life insurer in this country.

If you don't currently have disability insurance through your employer, you should call me. If you do have it....you should still call me. KofC may be able to improve your coverage and/or payment rate, or supplement what you have in place. Use the cell# or email address listed above. We will set up an appointment to talk about protecting your greatest financial asset: your ability to earn a living. Please consider me at your fraternal service.

Our membership goal this fraternal year is a plus 28. We are currently a plus six, about 30% of our yearly goal. We all need to work together to reach our membership goal and support the State and the Order in this aggressive goal. We always need new members to support the many activities of our very active Council.

We have a scheduled first degree this month during our regular Council meeting on Wednesday October 12th. Let's all work hard to have several candidates and a good attendance to support our Council. If you have a candidate please contact me as soon as possible so we can interview him in time to have him installed that evening. Thanks to all of you who have sponsored new members this year.

Libertytown, Woodstock and Glyndon all have second degrees scheduled this month. If you are a first degree and wish to take your second degree contact me and I will make the arrangements and try to attend with you.

Contact me if you need any information, forms or need to refer a candidate. Please wear

your membership badges to church. Let's all work together so we can share something we all enjoy with others

Planned Parenthood investigation moves forward

Rep. Cliff Stearns, R-Ocala, is moving forward with his plans to launch an investigation of Planned Parenthood, a national chain of women's health clinics.

Stearns mentioned back in July that such an investigation was possible, after the release a report arguing that lawmakers should defund Planned Parenthood. The report was written by Americans United for Life, an anti-abortion group. As The American Independent reported, Americans United called upon Congress to hold an investigation looking into Planned Parenthood's finances and practices. While Planned Parenthood has called the report false and "ideologically driven," Stearns did not rule out launching an investigation.

As Stern' commented on his letter: "If Planned Parenthood thinks they deserve our taxpayer money why do they feel they can deny our elected officials the right to ask what they are doing with our taxpayer money?"

Pro-life representatives win special elections

Two special congressional elections held September 13 were won by pro-life candidates. In New York's 9th Congressional District, Republican Bob Turner, was the winner and in Nevada's 2nd district Republican Mark Amodei also won.

Pro-life mass for October

The next pro-life Mass sponsored by the State Council will be on Wednesday, October 26. Mass will be at 7:00 pm, at Alumni Chapel, Loyola University (4501 N. Charles Street, Baltimore). The celebrant will be Fr. Timothy Brown, SJ. Fr. Brown is associate professor of law and responsibility and serves as special assistant for mission integration at the university, as well as the chaplain for the university's Knights of Columbus council.

Blood Drive Success

Our council conducted the fall blood drive on September 10th, 2011 at the St. Joe's gym. We had made phone calls for three nights the previous week and follow-up calls on the Thursday of this week. We had scheduled 84 appointments and on the day of the drive we had 94 people present themselves to donate. Of that group we had only 6 deferrals and we were able to collect 88 units of blood. Many thanks to the men of the council that helped that day, and the ladies of the Sheens for making the calls. While there are many blood drives in our area, the Knights of Columbus Council #7612 continues to be the most successful.

Highway Cleanup

Our last highway clean up for the year was Saturday October 8th 2011 at 8 am. The

participants in the cleanup included: Andy Turgeon, George Moriatis, John Hundermark, Ivy Snediker and George Snediker. We spent about 1 1/2 hours picking up trash and collected 10 bags of trash.

SQUIRES

Honorable Knights,

The Squires kicked off the year with an initial business meeting on 9/15. A primary objective was to report to the Squires and parents on the results of a survey of the Squires at the conclusion of last year. Inputs and ideas have been incorporated into a schedule that will provide more opportunities for service and challenge the Squires with specific assignments that will promote personal growth. One component of that will be headed by Les Simon who has joined as a third counselor and will take the lead on the spiritual program, with guidance from Father Neville and Bob Sutcliffe. Another important component of plans for this year is to encourage participation of Squire Parents in helping their sons with the assignments. The meeting ended with nomination and election of the officers for 2011/2012.

- Chief Squire – Joe Hiltz
- Deputy Chief Squire – Zach Harvatine
- Notary – Andrew Johnston
- Bursar – Joe Rooney

Key Events in the next month are:

- Investiture Practice 9/25
- Investiture ceremony 9/29
- Krispy Kreme Donut fundraiser 10/2
- Planning Meetings to be accomplished in the next three weeks include
 - Counselor schedule /event draft
 - Counselors/ Officers meet to solidify events /dates and appoint Squire committee members
 - Counselors meet with Chancellor, Youth Ministry Leader and Father Neville to map out Spiritual program.

As the Notary, Andrew Johnston will be assuming responsibility for Squire inputs to the monthly communiqué.

tomgreul@comcast.net

If you are interested in taking your 4th degree we are holding one on October 22 in Ocean City. This is a one day event and is for the men only. The cost is \$70 for your degree and banquet ticket. You must wear a black tux with a shirt with normal collars, no wing tips allowed. We have a couple of men going so a car pool would be a great thing.

If you cannot make the October date we will be holding the big 4th degree in Frederick Md. on March 3rd. We have the whole hotel so you can come and spend the weekend with us. There are hospitality rooms for all of the Assemblies where you can share fellowship with brother nights and their spouses. The wives are invited and they have their own activity while you take your degree. A formal banquet follows. All of the fees and dress are the same as the degree in October.

If you have any questions or want to take your degree please let me know so I can get you the form you need and get it sent in on time.

November 6th we will be holding our annual Patriots dinner where we will be honoring the Wreath Across America group for their patriotic work placing wreaths on all of the head stones in Arlington cemetery at Christmas. Please show your patriotism and RSVP to attend our dinner. The time will be appetizers at 3 pm dinner at 4 and a brief presentation at 5:00 where we hope to make a donation to the organization from the ticket sales. Please RSVP to Greg Lynch or myself no later than October 24th.

Our monthly meetings are on the fourth Monday of each month and are held at the ARC of Carroll County in Westminster. The meetings begin at 7:30 and are held to an hour with light refreshments afterward.
