

KNIGHTS OF COLUMBUS COUNCIL 7231

28 July 2020

To the parishioners of
St Thomas More Newman Center
Columbia, Missouri

THANK YOU! Because of the generous support of the Parish, our council has had a wonderful year. Although legally and operationally separate from the parish, our council can only exist with the support of the parish.

This spring's Coronavirus pandemic caused massive disruption in the lives of all Americans. For the council, it resulted in the forced cancellation of our fish fry, as well as forcing us to reconsider how events go forward in the future. But it also brought out the best in many in the community. Because of the generous support of our community, the council was able to step forward and challenge the parish with an additional campaign to support our Food Bank's COVID-19 needs. Our \$1,150 challenge was met with \$2,745 from the parish to support the Food Bank's urgent needs.

The thing we are in most need of from the parish is additional support in the form of members. Blessed Pope John Paul the Great often referred to the Knights as "the strong right arm of the Church." As an order, we aim to take good men and make them better men. We are uniquely positioned to help other men lead with faith, protect their families, serve others and defend their values. We encourage all Catholic men aged 18 and over to consider joining us on our mission to make the world a better place. Imagine the difference we can make, not only on the campus and in the city, but in your family, with your help.
