Knights of Columbus Council 92

Press Release

Knights of Columbus grow membership in Manchester.

Manchester NH, November 25, 2014: Thanksgiving week found a bustle of activity at 54 Walnut Street in Manchester, the meeting place for the oldest Knights of Columbus Council in the State of New Hampshire, Council # 92. Following a successful fall membership drive which saw 7 new members join the council along with 3 transfers from other councils, PBVM Church at 54 Walnut was the location of a First Degree Ceremony for the 5 of the new members as well as a member from a sister council here in the Queen City.

Pictured left to Right are new Knights David Gillespie, Francois Nyamikita, Thomas Houle, and Justin Cunan

Council 92 was lucky in that we had the presence of 2 District Deputies at the ceremony, Ken Komisarek their own District 7 Deputy and John Flanagan, District 6 Deputy who was a member of the Degree team. The ceremony was a great success and was followed by sandwich trays and snacks along with fellowship and warm welcomes for the new members.
