The **REBOOT!** event you attend will have an impact on your community, and far beyond thanks to Real Life Catholic's Turn-the-Tide **College Connection** initiative.

ONE BIG PROBLEM

80% of young people stop practicing the faith *before their 23rd birthday*. Most while in college.

Yet remarkably, the Church in America has never created a means to intentionally prepare kids to hold on to their faith as they transition to college. We have never put something in place to successfully introduce kids to campus ministry. And we have never effectively used modern technologies to keep them connected and engaged.

AFTER 18 YEARS OF REAL WORL EXPERIENCE, THERE IS A FIX

ONE SIMPLE SOLUTION: For the first time in the history of the Church the missing link has been identified. College Connection is the missing link – the missing piece of the puzzle – to keep kids engaged with their faith after they leave home. The solution is simple, and we're going to give all this away, for free. Together we can transform Catholicism in America for generations. Our REBOOT event will directly enable this effort!

Step One COLLEGE PREP RESOURCES Create and provide a world class college-prep resource for parents and families to prepare to keep the faith in college. This will include a DVD and workbook series, web page and outreach and connection tools. This will cost \$185,000.

Step Two BRIDGING CONNECTIONS Develop and implement a master database connectivity tool and provide the help to link kids personally with campus ministry at every college and university in the United States, on Day 1 of their arrival. This will cost \$936,429.

Step Three FEEDING ENGAGEMENT Continue feeding kids with world-class resources and real-world connectivity tools to keep them engaged. This will include a video series, a dedicated website and phone app, and a unique series of live engagement programs. This will cost \$1,191,429.

At **LIVE EVENTS** – such as **REBOOT**:

Our **live events** reach more than 85,000 people per year and are unlike any other in the Church today. Centered on the heart of the Gospel, they remind people of the love of God for them, and of their great purpose in life; and they are practical, showing people how to live the Gospel in everyday ways, in their everyday lives. And we coach and train every parish for success: in more than 100 parishes, to more than 1000 leaders per year, we show people (just like you) how to reach out and share their faith and invite others to Jesus and his Church.

Through our **MEDIA**:

Our videos and radio spots reach over 1 million people per month, every month. They have changed the national dialogue on fundamental issues, transformed the everyday commute to a plain and undramatic encounter with God, and they have inspired people to re-engage with and share their faith with others.

In our **EDUCATIONAL INITIATIVES**:

We authored what is being welcomed as the best Confirmation program in the English language. Already used by almost 100,000 teens per week, entire parishes are being transformed. As one Latino parish in Florida stated: "After starting Chosen, we have moved from losing 90% of our kids after Confirmation, to keeping 90%!" Unprecedented.
