### We Witness our Faith!

Our "Family Fully Alive" book dedicates July to "Witnessing the Faith". This describes our order so well and it challenges us to do even more. As stated in the booklet: "Witness is the primary way to evangelize in our time. It is through living our lives as Catholic Families, devoted to our faith, to each other and to helping those in need, that we best evangelize to the world". I think the book is absolutely right! Our works of service to our families, parish and community are the best way to model our Catholic way of life to our children. June was a wonderful example as so many of us helped at the Carnival, Dennis Henry led our best Cornhole Tournament ever, and our Ladies Auxiliary led a very well attended prayer service for the sick in our parish. Outstanding! Like I said though, we are still challenged to do more. Of course you can count on Bob Russell and our Council's service directors to give you opportunities. But, I refer back to our "Family Fully Alive" book as it asks us to "reflect on how we can better communicate Christ's presence to others in word and action, thereby becoming a "saving community" that shares the love of Christ". I ask you to pray on that. I ask you read the 4 pages for July in our "Family Fully Alive" book. I'm positive that we lead others to Christ. By reflecting on those pages, I'm sure that we can lead even more!

Fraternally, John Gabler
