A Note from the Editor

Knights on the Move

If you haven't noticed but Council 1728 has been of the move. Some of the things we have done was the Beer, Brats and Burger night, Newman Center dinner, Feed the football players after the game and were in the UNK Homecoming parade. We know every member can't be a part of everything, but if you can help out just a little bit is very much appreciated. You might get to know someone you have never met before.

The more we can be out where people can see us and put our name out there the more we are respected within the community.

For all who helped out we just want to say **THANK YOU** for all you do.

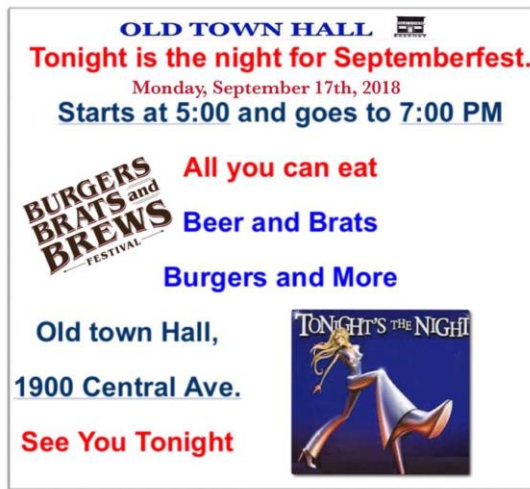

A Message from the desk of:

Message from Dist. Deputy

JUST ASK - An Admissions Degree is scheduled for Wednesday, September 5 at 7 PM at the Old Town Hall, 1900 Central Ave, Kearney. Our church directories have many good Catholic men who are not KofC members. If we are to grow one member per council per month we need to ask these men to join our ranks.

The Right to Life March in Kearney is Sunday October 7, 2018 from 2:30 PM to 3:30 PM. Signs can be picked up at 2:15 PM in front of Medicap Pharmacy, 2706 2nd Ave, Kearney. Stand with us along 2nd Avenue in honor of millions of babies whose lives have been lost to abortion.

The official order wide church drive for members is Oct 13-14 which just happens to be the same weekend as the campaign for intellectual disabilities (aka tootsie roll). What a great time to contact people while doing a charitable cause, so be sure to have a new form 100 while you collect for the intellectually disabled.

We have a major (1st, 2nd, and 3rd) degree on October 28 in Kearney. However, do NOT make a candidate wait to get his First Degree! Every council has the DVD from Supreme, so there is no reason to have a potential knight waiting to join. If you need help, contact me and I will assist you.

We also need 3rd degree members to show up and support the brothers who take their major degree in Kearney. Please contact a fellow Catholic man and invite him to join the Knights.

Vivat Jesus

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

The Modern Catholic

3 habits of highly devoted Catholics

What makes a modern Catholic? With the world we're living in, Catholics who practiced the way they did during previous centuries are the ones that are called devoted. So what do these people actually do? Are you part of this small population of people?

Modern Catholics read the bible and are hard as a stone

People can try and convince them that Catholicism is a joke. Being a devoted Catholic, they can defend our religion by knowing all the answers to questions people hit back at them.

They always attend mass.

My grandparents used to go to Church every day at 6 am. That's a sign of devotion right there. Although it might be a little easier for them as they don't require to be at work 14 hours a day, unlike people their age, they would rather spend their time at Church rather than spending the money they earned through their working years.

They are never late either! I see them always leave early, and they have their prayer books, rosaries and the like.

Catholics always look up to God for assistance whenever something bad or good happens.

The first time something happens to them they look to God for guidance. Before making a decision on anything, they ensure that they have prayed to God and Mary to ask them if they are in their rightful condition to be able to make a decision. If not, they pray that God will lead them the way and everything will fall into place. There are plenty of stories like this from the old testament.

Sick or in Distress

If you have a member of your family or a friend who needs some prayers, email me and a little detail and I will post it here.

Please continue to pray for Dave Glatter, Fr. Tom, Fr. Rooney, Bernard Loeffelholz, Shirley Bonk, Cliff Jarecke, Orville Schuster, Fr. Ray, Dick & Althea Bugay, Mike O'Meara, Becky Kotrous, Rose Wathan and Nancy Cunningham.

Thanks!
