Family of the Month

NORM and DOROTHY SCROGGINS

Norm is the retired FAA manager for DFW and all the small airports in the area. That job has required him to move 13 times around Texas and Oklahoma. His last assignment was Ft. Worth (the second time he was here) and he stayed here when he retired. He and Dorothy met on a blind date. They have 3 children, 6 grandchildren and 4 great grandchildren. He went into the Air Force from high school. Dorothy was born and raised in West Texas and Norm in Vernon Texas. Dorothy stayed home while their children were growing up. Then she got a real estate license and has also worked in a bank. They have been at St Thomas for 10 years and both help with the food pantry. She also counts money for the church. She enjoyed gardening and he golf. Sadly arthritis has made those hobbies difficult.

His daughter graduates from UTA this January. He has enjoyed coaching soccer and basketball which he did for 9 or 10 years. He has also been a substitute teacher in Saginaw and Eagle Mountain school districts. He is a big fan of all the local teams and enjoys jogging.

Knight of the Month

RICK BOLLINGER

Rick has been a Knight for around 20 years. He has been inside and outside guard. He helps with the food pantry and made sandwiches for the night shelter for years. He is a retired Auditor graduating from UTA. He's been at St Thomas for 66 years being baptized there. He's been married for 25 years with 2 children. His wife is a retired surgical nurse.

Thought for September

There are some people who aren't too familiar with the rosary and they might wonder why we say it, why we think it is so valuable. The main idea, the heart of the rosary is the mysteries. There are 4 groups of mysteries. When we pray the rosary the most important part is the mysteries. The Hail Mary's are really just background music. Praying the Rosary is actually thinking about the mysteries that come from the Gospels and the traditions of the Church. This can strengthen our faith and bring us closer to Jesus

To think about the mysteries you must know something about them. Unless you read the Bible or know Tradition concerning the mysteries you won't have much to think about and the rosary might become a tedious repetition. To help you, there are also many books written about the mysteries .

For instance the first joyful mystery is the Annunciation where the angel comes to Mary and asks her to be the mother of the Messiah. If this is all you know then there is not a lot to think about. However, if you read up on it you'll find, for instance, that for an unmarried woman to become pregnant was a serious offence against Jewish law. Mary could have been stoned to death. It took a lot of trust in God and courage for her to say yes. Remember Mary was not married to Joseph at this time; she was only engaged (betrothed)

Or take the 1st sorrowful mystery, the Agony in the Garden. Jesus, being God, was able to see all time at a glance. He saw how many "Catholics" would ignore Him in the Eucharist and the Blessed Sacrament even after all the suffering he was facing. Many say the indifference of those many "Catholics" He loved and for whom He was suffering caused Him more sorrow than the Cross itself.

The Rosary is a powerful prayer but for it to be effective you must know the mysteries connected with. When you really get to know and appreciate the Rosary you will become a stronger Catholic and a better Knight.
