GRAND KNIGHT'S MESSAGE:

Brother Knights:

The summer has come and gone! September means the beginning of school and regular Sunday Mass schedule.

Our planning will intensify as we put final touches on our service program. We will be working on details for a fall Membership Drive, the annual Turkey Roll fundraiser event, the Bottle Drive for the Special Olympics and our Good Shepherd Food Drive at Longo's to name a few.

During August, members put a fresh coat of paint on the Memorial for Life Cross, began the wall repairs in the Church basement, removed the carpet from the basement meeting room and painted the floor. Many thanks to Brothers, Sam Cervoni, Ken Fleming, Vincent Iantomasi, Vic Lefebvre, David Lord, Aeneas MacIsaac and Joseph Milton for volunteering their time.

But August was not all work and no play. Ten of our members and their spouses accepted the invitation of the Pope John Paul II Assembly to attend their summer B-B-Q social. A good time was enjoyed by all. Thank you for taking this opportunity to put Fraternity and Unity into practice.

Please mark September 14 in your calendar. We are scheduled for a "group" picture for the Church Photo Directory after the 11:00 am Mass. I urge all of you to make yourself available at 12:05; business suit attire please.

MESSAGE FROM YOUR CHAPLAIN
Msgr. Edward House

It is being called the “Francis Effect”. This refers to the work and example given to us by His Holiness Pope Francis. There is no doubt that he is making a great impact on the Church and in the lives of Catholics. Recently he gave a talk entitled the 10 secrets to bringing joy to one’s life. I wish to share them with you and pray that they will help to bring all of us to greater joy as we serve the Lord and the Knights of Columbus. Peace be with you.

1	LIVE AND LET LIVE. Everyone should be guided by this principle, which has a similar expression in Rome which says: “Move forward and let others do the same.
2	BE GIVING OF YOURSELVES TO OTHERS. People need to be open and generous towards others because if you withdraw yourself, you run the risk of becoming egocentric. And stagnant water becomes putrid.
3	PROCEED CALMLY IN LIFE. The Holy Father, who use to teach high school literature, used an image from an Argentine novel by Ricardo Guiraldes, in which the protagonist, Gaucho Don Segundo Sombra – looks back on how he lived his life. He says that in his youth he was a stream full of rocks that he carried with him, as an adult, a rushing river and in old age, he will still moving but slowly, like “a pool of water”. He said he likes this latter image of a pool of water – to have “the ability to move with kindness and humility, calmness in life.
4	A HEALTHY SENSE OF LEISURE. The pleasures of art, literature and playing together with children have been lost, he said. Consumerism has brought us anxiety and stress, causing people to lose a “healthy culture of leisure”. Their time is “swallowed up” so people can’t share it with anyone. Even though many parents work long hours, they must set aside time to play with their children. Families must also turn off the TV when they sit down to eat because, even though television is useful for keeping up with the news, having in during mealtime “doesn’t let you communicate” with each other.
5	SUNDAYS SHOULD BE HOLIDAYS. Workers should have Sunday off because “Sunday is for family”.
6	FIND DIGNIFIED JOBS FOR YOUNG PEOPLE. We need to be creative with young people. If they have no opportunities they will get into drugs, and be more vulnerable to suicide. It is not enough to give them food. Dignity is given to you when you can bring food home, from one’s own labour.
7	RESPECT AND TAKE CARE OF NATURE. Environmental degradation is one of the biggest challenges we have.
8	STOP BEING NEGATIVE. Needing to talk badly about others indicates low self-esteem. /that means, “I feel so low that instead of picking myself up, I have to cut others down. Letting go of negative things quickly is healthy.
9	DON’T PROSELYTIZE. Respect others belief. We can inspire others through witness so that one grows together in communicating. But the worst thing of all is religious proselytism, which paralyzes. The church grows by attraction, not proselytizing.
10	WORK FOR PEACE. We are living in a time of many wars. The call for peace must be shouted. Peace sometimes gives the impression of being quiet, but it is never quiet, peace is always proactive and dynamic.
