SERVING GOD BY SERVING HIS CHILDREN

## CHAPLAIN'S CORNER

Fr. Ettore Ferrario

### Bind My Heart to Your Will, Lord.

Growing up, I was rebellious yet I met Christ and His church through a teacher in high school. My history teacher changed my life with something I found even more interesting than my passion for swimming: weekly charitable work.

I am able to understand the meaning of "charity" through the Son of God and his actions. Because of his Love for us he did not send us His riches (as He was able to do) and revolutionized our situation; instead He became poor like one of us: He "shared" our nothingness. We do charitable work in order to live like Christ. Almost naturally, I asked myself: for whom do I want to offer my life?

As a missionary in the Fraternity of Saint Charles Borromeo in Paraguay, I taught in the Catholic University and helped organized charitable activities in a clinic by serving terminally ill patients, giving them a new dignity and life in the Risen one. Now as the Chaplain of Rosensteel, may God give me the wisdom to serve you, guide you toward happiness in serving the needs of others and discovering that we are the first to be in need of God's grace.

Fr. Ettore Ferrario

Joseph also sits on the Admissions Committee and Barbara and Victoria are very active with our Mary Knights. Please help us in congratulating the Dassing family for this award and for their never ending commitment and dedication to the Council and to the Order!

## DEPUTIES DIALOGUE

July and August have come and gone and already there is a lot going on. The new directors and officers are fully engaged and there is the smell of fraternal involvement in the air. The “triangle” (Council, Clubhouse & Building) is communicating and already working together well. All early signs appear as if this is going to be a great year at Rosensteel.

As promised, I would like to keep the membership abreast of the happenings and goals month to month.

Here’s September:

1. Continue to support our Grand Knight
2. Continue to provide and receive feedback to and from:
  - The Membership
  - Other officers and directors
  - The Maryknights
  - Our parishes and community.
3. Work with the Clubhouse to promote more events.
4. Work with Building to spruce the place up.
5. Support and assist on planned and unplanned events.

Please join me in my efforts!

Be Worthy

### ROSENSTEEL REFLECTIONS BY DGK MOORE

Is the world just getting to complicated? I pose this question as it relates to our council. Please read this article in its entirety prior to passing judgment.

Am I wrong or could the Grand Knight’s motto of 15 to 20 years ago read “Good men having fun doing good”? It all seemed so simple. I have to admit that was part of the attraction

to the Knights for me. I assisted with several events when I first joined over 20 years ago and it was fun. My whole family attended functions and had a blast, whether it was a Council event, fundraiser or just a get together, it always seemed that there was a purpose or a needy beneficiary. I understand that there will always be the people (me included) saying “remember when” and “wasn’t it great when”.

The Last First Degree inducted 12 new members with an average age of 23, eight of whom are now Rosensteel members, will they one day be uttering those same words? I want to ensure that they do.

How do we do that?

First we get back the pride of the membership. We have had a cloud of negativity over this council for several years now, why? Let’s stop asking why and get “simple” again. Okay, here is where I get a little corny and use some of my sports analogies.

#### WE ARE!

- ★ WE ARE - One of the largest and strongest Councils in the state!
- ★ WE ARE – The Council with the best Maryknights in the land!
- ★ WE ARE – The Council with the best Squires/Roses Circle around!
- ★ WE ARE – The Council with the greatest earning potential in the State!
- ★ WE ARE – The Council with the most prestigious history in the state!
- ★ WE ARE – The Council with the most charitable membership which we haven’t even begun to tap into.
- ★ WE ARE – The Council with the most driven emerging officers and directors this State has seen in some time.

#### WE ARE ROSENSTEEL!

If you have read this far and find yourself going back and disputing any of my claims, then STOP IT! That is exactly what I am talking about, believe it, live it and aspire to it.

## THE WARDENS TAKE...

For a little over one year now a group of Brothers, Mary Knights, youth and friends have gathered on Friday early evenings to recite a full Rosary. The Hail Mary, centerpiece of the Rosary, got my interest, so I did some research. I am a frequent listener of Sirius/XM Radio’s “The Catholic Channel” and Gus Lloyd, host of “Seize the Day” and author of “A Minute in the Church, Volume 1”. In his book he deals with an issue about the prayer and here is his take on it.

Many non-Catholics find it distasteful, if not downright offensive, to pray or even hear the Hail Mary. Most people don’t realize the whole first half of the prayer is simply quoting Scripture! Imagine that!

“Hail, Mary, full of grace. The Lord is with you.” These are the words of the angel Gabriel in Luke 1:28. The next line of the prayer contains the words of Mary’s cousin Elizabeth from Luke 1:42, “Blessed are you among women, and blessed is the fruit of your womb.”

The first half of the Hail Mary is taken directly from the pages of the Bible. The second half is simply a request for the mother of God’s only Son to pray for us. “Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.” If you’re a Christian, you proclaim Jesus as true God and true man. And since Mary is the mother of Jesus, then she truly is the Mother of God. And, as brothers and Sisters of Jesus, she is the Mother of all Christians”

So make Rosensteel a better place, come say the Rosary, New York Giants gear not mandatory.

## FROM OUR GROUPS/TEAMS

### CAPITAL IMPROVEMENT FUND

During the July meeting of the CIF Committee, I overheard a knowledgeable member refer to our beloved Council building as being “old and decrepit”. This comment was made after Frank Zarrelli, president of the Forest Glen Building Association, Inc., made a report regarding the many repairs and replacements which are being planned and, when completed, will transform our facilities from decrepit to “robust”. This is the purpose of the Capital Improvement Fund for which your support is solicited. As you know, our current goal is \$20,000 and we are currently at 92.5% of that amount. Please help us attain that target! Contributions may be sent to Chancellor Bruce Cotting in an envelope marked with his name and placed at the bar in the Knight’s Room or given to any member of the CIF Committee. Please make your check payable to the Forest Glen Building Association and mark it for CIF. We sincerely thank everyone who has made a contribution. Please know additional contributions will be noted and you will receive credit at the next donor level when applicable. Have a great summer,

**Patrick Warner, chairman  
CIF Committee**

### INSURANCE AGENT BRIAN GRAHAM *Our Guarantees Set Us Apart*

Knights of Columbus life insurance offers something precious few other financial products can – guarantees. As long as you pay your premiums, the policy proceeds will be there for your beneficiaries should something happen to you. That’s

peace of mind, and that’s what we offer with every product in our portfolio.

1. We guarantee the cash value in your whole life policies will be there.
2. We guarantee the rates on your term insurance.
3. We guarantee our retirement products will provide a stream of income when you need it.

Our Order is among the highest rated life insurers in North America. AM Best has rated the Knights of Columbus “A++, Superior” for 39 consecutive years. It’s a testament to our track record for excellence and security. I would suggest that a principal reason that we were able to achieve those accolades is because we remain steadfastly committed to the vision of Venerable Father Michael J. McGivney by providing life insurance by brother Knights for brother Knights.

We pledge to serve our brother Knights, and their families, according to our Golden Rule: “In all my professional relationships, I pledge myself to the following rule of conduct: I shall, in light of all conditions surrounding those I serve, render that service which, under the same circumstances, I would apply to myself.”

### MARYKNIGHTS

And we’re off!!! September is here already and we are poised for another successful Maryknight year. Our selected Charity Ball recipient this year is KIND (Kids In Need Distributors). It is lead by some very

dynamic Montgomery County residents who identified that there are local students who have no food or no nutritional food when they are away from school. This group has worked with principals, teachers and counselors to determine which kids are truly in need and have created an amazing, stealth operation to send food and hygiene products home with children who are without.

Representatives from KIND will be joining us at our October meeting to provide a more detailed overview and answer any questions. They are already VERY engaged and are going to be wonderful partners in ensuring a very successful event! 100% of funds raised for KIND go directly to feeding children so I know we can make a huge impact. I’m sure you agree that if there is one hungry child in our blessed county, it is one child too many!

Polly Seleski is our chairwoman for this year’s Charity Ball which will take place on November 14, 2015. Polly has already lined up some superstars for her team, including Margie Cuff who will head up the Silent Auction. Polly will have lots of information to share at our first General Meeting.

Our sororal year will begin on Monday, September 14<sup>th</sup>. We will celebrate and remember our deceased Maryknight sisters at Mass at 7:00PM in the Historic St. John’s Church. Immediately following we will hold our General Business meeting at the Council followed by snacks and beverages.

Please solidify your commitment to The Maryknights by attending meetings and lending a hand where help is needed. Your ideas, talents and kind hearts are essential to our future!

**Luanne Flanigan**

## MARY'S WIDOWS

A delightful lunch was enjoyed by 21 widows, Father Perkins & Mike Koon, our coordinator at the Council. John Matosian and his staff did a great job and we all appreciated it. A good time was had by all. We had invited the Grand Knight for lunch but he was ill, so he sent his representative Esteve Jimenez. Next month we will have our luncheon on September 14th since the first Monday is Labor Day. Thanks to our September Hostesses Aline Morin & Kathy Fenton we will be going to Outback Restaurant. You will be called with the details. For more info, please call Lois Devlin 301.681.7448.

## RETIREES CLUB

The Labor Day Holiday is on the 7th of the month. Do you know it's history? The National Labor Day Holiday was created by Congress in 1894, but this was preceded by many states that started a "working man's holiday" and held parades and picnics as a tribute to the contributions all workers made to the well-being of our country. The first parade was held in New York City in 1882 and the holiday was promoted by labor unions across the country.

How well do your grandchildren know you? What do they know about your own grandparents? Has anyone told them the history of your family? Genealogy is the history of a family descending from their ancestors. Of course, it can extend back in time for many generations. If you are among the eldest in your family it would prove beneficial to everyone if you could draw up a generational chart going back through as many relatives as possible. Additionally, if you could provide details and relevant information on individuals it would be appreciated by everyone in your family.

Since we were all immigrants to this country at some time in the past, you may find it helpful to consult [Ancestry.com](http://Ancestry.com). Have you ever visited Ellis Island in New York City? It is located next to the Statue of Liberty just a short ferry ride from Manhattan. You may consult with [www.mps.gov/ellis](http://www.mps.gov/ellis) or [www.archives.gov/nyc](http://www.archives.gov/nyc). Both the Customs and Immigration offices collected records of every immigrant to the U.S.: nationality, place of birth, ship's name and home port, date of U.S. entry and the name of a U.S. relative. Census records are another source of information available to you.

This is September and all the children are back in school. If you live in a parish that supports an ele-

mentary school, please make an effort to contribute to its future. It is very difficult for parents alone to support a good Catholic education for our young ones. Ask your pastor what you can do to assist in maintaining our Catholic Schools.

Welcome back to everyone in the Retirees Bowling League. The season is starting again this month at the White Oak Lanes. Good Luck to all our teams.

Our monthly luncheon is on September 22nd and we look forward to seeing all our friends again.

**VP Tom Leonard**

## SUPER BOWL

We are moving forward in our Super Bowl Party Plans for 2016. We started taking names at the picnic but there are plenty of spots left. Next year's plans have changed slightly. We will only have a single party on Super Bowl Sunday in early February. Cost for each box is still \$110. Two people can join us at the party for each box. This is one of our biggest Council fundraisers, so please support this effort. Please give me a call at 240.997.4419 if you have any questions or if you want me to sign you up!

**Brother Stan McLeod**

## COUNCIL PICNIC

It was HOT! But it was fun. All of you who attended the Council Picnic on July 26<sup>th</sup> made the Rosensteel Council a better place that day. Thanks to all the great volunteers, help from the current Council Officers and the Horner Family.
