## **GRAND KNIGHTS NOTE**

Brothers,

We began our council activities last month. I received wonderful news in the form of a letter from Supreme

Council announcing that our council achieved Star Council for 2009 to 2010. This was made possible only by your support and I am confident that our 12 new council members will join in and help the council achieve this award again this year.

The new council members will enjoy the same success we

have had over the past several years only with the help and support of you, all our Brother Knights. I ask humbly that when approached to lend a hand in our many council support activities that you do so with the knowledge that your efforts produce results for those in need throughout our parish.

Our success comes from the hard work and dedication of the council as a whole. You all make it happen and I thank you!

Vivat Jesus

## Readers Review

by Dave Conca

### *God is not One*

by Stephen Prothero

This book is about the eight rival religions that run the world and why their differences matter.

With all of the advances in technology, science, globalized economies, etc, Prothero points out that the world remains 'furiously religious'. He relates that, for good or for evil, religion is the single greatest influence in the world.

Prothero's goal with God is not One, is to provide a deeper knowledge of religious differences and the attempt each makes to solve a different human problem. He reveals each of the religion's traditions to create a guide for anyone who wants to better understand the big questions human beings have asked for millennia and the disparate paths we are taking to answer them today.

Essentially, Prothero argues, if we can better understand each other's religions, we may well be better able to get along.

### A NOTE FROM THE COUNCIL DIRECTOR

Brothers, as Council Director one of my responsibilities is to work with the Council Newsletter Editor and Publisher to produce an informative document each month. It has been brought to my attention that the Newsletter is DULL. In an effort to increase interest in this publication I would be interested in hearing any suggestions you might have.

Basic data will remain unchanged but any other changes are a possibility. E-Mail me your suggestions: [tucsonpapajoe@cox.net](mailto:tucsonpapajoe@cox.net).

**September 5 - Blood Drive**

A blood drive will be held in the Desert Room on Sunday, September 5th from 8:00 AM through 10:00 AM. The Red Cross will be able to handle 6 appointments every 15 minutes and our goal is 30 pints. Our last blood drive resulted in 39 pints including 4 double reds which was great. The blood is critical to the community where there is a shortage. We thank everyone in advance for their donation. Brother Fred Falgiano is the blood drive coordinator. He needs the help of one Brother; if anyone would like to help or has any questions they can contact him on his cell at 520-661-4317.

**SEPTEMBER 6 -Labor Day**

The first Labor Day in the United States was celebrated on September 5, 1882 in New York City. In the aftermath of the deaths of a number of workers at the hands of the US military and US Marshals during the 1894 Pullman Strike, President Grover Cleveland put reconciliation with Labor as a top political priority. Fearing further conflict, legislation making Labor Day a national holiday was rushed through Congress unanimously and signed into law a mere six days after the end of the strike. Cleveland was also concerned that aligning a US labor holiday with existing international May Day celebrations would stir up negative emotions linked to the Haymarket Affair. All 50 U.S. states have made Labor Day a state holiday.

**OCTOBER 9 - Rosary Sunday**

Rosary Sunday, the first Sunday in October; a feast instituted by Gregory XIII. for the Confraternity of the Rosary, and made of universal observance after the victory of Emperor Charles VI. over the Turks, in gratitude to the Blessed Virgin. An impetus has been given to the devotion of the rosary by Leo XIII., who enjoined its daily use in public during October. Roses are blessed and distributed as souvenirs, and the rosary is recited continually during the day.

**OCTOBER 11 - Columbus Day**

Many countries in the New World and elsewhere celebrate the anniversary of Christopher Columbus's arrival in the Americas, which occurred on October 12, 1492 in the Julian calendar and October 21, 1492 in the modern Gregorian calendar, as an official holiday. The day is celebrated as Columbus Day in the United States, as Día de la Raza in many countries in the Americas, as Día de las Culturas (Day of the Cultures) in Costa Rica, as Discovery Day in the Bahamas, as Día de la Hispanidad and Fiesta Nacional in Spain and as Día de las Américas (Day of the Americas) in Uruguay. These holidays have been celebrated unofficially since the late 18th century, and officially in various countries since the early 20th century.

**OCTOBER 22, 23, 24, PWID Drive**

The People with Intellectual Disabilities Drive (PWID) will be conducted by the St Pius X community in support of the Knights of Columbus Annual PWID, known as the Tootsie Roll, Drive. Brother Knights are asked to contact Fred Falgiano at 661-4317 for assigned date, time, and store location.

## **Nativity of the Blessed Virgin Mary September 8th**

**The traditional date of the feast, September 8, falls exactly nine months after the feast of the Immaculate Conception of Mary. Perhaps because of its close proximity to the feast of the Assumption of Mary, the Nativity of the Blessed Virgin Mary is not celebrated today with the same solemnity as the Immaculate Conception. It is, nonetheless, a very important feast, because it prepares the way for the birth of Christ.**
