**KNIGHTS
OF COLUMBUS**
IN SERVICE TO ONE. IN SERVICE TO ALL.

GK Dutch Steenbakker

September 2015

My worthy brother Knights,

With the installation of our 2015-2016 Council Officers on Saturday, September 5, 2015, we mark the 24th year of our Council as a chartered institution and start preparing for our 25th anniversary celebration in December 2016.

What were our charter members thinking when they met to form Council 10762? Were they preparing to form a Knight of Columbus Council with its anticipated good works for a decade, themselves, future generations? What were they looking for in this Council's future and its responsibility to our Faith, our Parish, and our community? Would they celebrate the numerous accomplishments achieved so far from the fruits of their work, this Council?

I think, they would say, "Celebrate not what we have done, but what you are about to do. Continue to build upon what we have done for those who come after you. Carry the torch of your faith into the future and hold the banner of your dedication to the high heavens. Welcome all catholic men as your brothers into our fraternity.

Our future, inspired by the vision of our fore fathers, depends on all of us. Service to our Faith, Church, Parish,

Community and Country should be an honor we are privileged to carry, not a burden. Our future begins with our members. It is incumbent on all of us and especially our officers to insure the Council is a comfortable, peaceful, respectful and inspiring place for all. By creating a positive environment through productive, viable programs, social activities desired by our members and giving each member the tools to reach his religious, ethical and humanitarian goals. So my worthy brothers, participate, to the best of your ability in your Council activities and support your officers, don't

just give lip service or be a silent non participant. Remember "WE ARE OUR FUTURE". I thank you all for our past and look to all of you for our future.

Vivat Jesus.

Your Fraternal Brother,

Emmanuel M. "Dutch" Steenbakker
Grand Knight

**We Stand Strong On
 Ethical Ground**

Some people believe that ethics in business is a contradiction in terms. They think that in order to be profitable, a company and its leaders must abandon morality and embrace the dark, greedy side that they see so often in the news and in movies.. At the Knights of Columbus, we know this isn't true. A business can be both ethical and successful. We are.

As a Catholic organization, we understand the value and importance of our core beliefs and the original mission of Venerable Father Michael J. McGivney. In fact, much of the strength and financial security we provide to members and their families can be attributed to our ethical, moral standards. More than 96 percent of Knights who buy our life insurance keep it, year in and year out. The Order takes this commitment to our members very seriously. This means carefully planning when it comes time to invest. Our professional staff researches all transactions to insure that they fall in line with Catholic values. If a transaction makes them uncomfortable, they don't make it.

"We exclude any company engaged in activity that conflicts with Catholic moral teaching: companies directly involved in abortion, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of these, or pornography," said Supreme Knight Carl Anderson. "There are many companies in the pharmaceutical and communications industries that would undoubtedly provide excellent returns for us, but which are not in our portfolio because they engage in research and development or programming in ways that violate the sanctity or dignity of human life."

In the end, the Knights of Columbus investment strategy is motivated by morality, not money. Yet, each year we remain profitable, increase our assets and stay dedicated to this vision that will keep the Order financially sound for generations to come.

But don't just take our word for it. In 2014, the Knights of Columbus was named a "World's Most Ethical Company" by the Ethisphere Institute. We were one of only two life insurance companies to earn the honor.

"Faithful Catholics have choices when buying life insurance," said the Supreme Knight. "But they know that at the Knights of Columbus their policy is supplied by an insurer that shares their moral and ethical values and is guided in all of its investment and sales practices by those values."
