Meetings are open to all members

Reservation of the Council Home: To avoid scheduling conflicts concerning the use of the Council Home, the host or committee chair must contact Dan Hundertmark to reserve the Home as soon as the need arises. Because renting the Home is the Home Corp's major source of income, it cannot be assumed that a Council Activity will automatically receive preferential scheduling. The only dates that are automatically reserved for the Council are the Directors Meeting, the Business Meeting, the Home Corp Business Meeting and the monthly Council Social. All other intended uses of the Home must be coordinated with Home Corp Officers. In the future, conflicting activities on the same date at the Home will be decided in favor of the activity making the earliest request to use the Home.

GRAND KNIGHT'S REPORT

Two active months down and no sign of slowing any time in the near future. That's the way we like it, isn't it? Staying busy means we're doing good things for our community and that's why we're here, after all.

I'd like to start off by welcoming our new members. We had a great showing at our first 1st Degree of the year. In addition to the four new men we initiated, we had two transfers and two reactivations. That's the strength of eight men added to our ranks in just one month. That means eight more men and their families praying for the intentions of the council. Oh, and by the way...a potential for more volunteers for concessions, pit-beef, tootsie roll sales, youth activities, family activities, church, pro-life and community activities, all of which we have on the calendar for this month.

I want to thank all the brothers and ladies who worked the pre-season football games in August. The Thursday night game was our highest grossing game ever. Unfortunately, we didn't get enough volunteers from the council to run any of the games. Volunteers from the Baltimore-Appalachian Project filled in where we could not and we gave them their fair-share of the profits. I'd like to see us staff the stand on our own for the season. So, when Tony calls, please consider giving a little of your time to help out the council.

September starts out at a run, Gentleman. The 10-11th weekend has a Blood drive, membership blitz, tootsie-roll sales, pit-beef event and the Ravens-Steelers Home opener. Later on in the month, we have another pit-beef event, Family Movie Night, and a Soccer Shootout.

If you missed the Social in August, you missed a great time. We had 14 entries in our chili cook-off and an exciting game of Family Feud. This month's Social is our End of Summer Picnic with more games and more fun than last year. It's worth coming just to see what the "valuable Prizes" turn out to be.

Brother Knights and Families,

With schools now in session, it's a sure sign that Fall is finally here. We do have a lot to cheer about! Milder weather, mums in bloom, and fall harvests to name a few. Our councils have some great programs planned for fraternity and family fun.

Make your reservations now for the Columbus Day Ball on October 8th! With fine dining and dancing, it is the **social event of the year!** It follows a very brief program designed to pick the winners from the car raffle. Proceeds support the State Charity and Scholarship programs. Come and support your State Council and State Deputy, Peter and Francine Davio.

There are now four new video advertisements on the Supreme website, www.kofc.org, and I believe you will find them quite inspirational. Review them at your earliest opportunity. Your council needs your help and support to grow the Order. Our Catholic Church and the Knights of Columbus are the pillars supporting God's word and works locally and internationally. Now is the time for you to invite your friends and family to join us. Carry a form 100 and do your part.

September 11, is the Order-wide World Day of Prayer for Peace. Join your council for a program of prayer around this tenth anniversary of the terrorist attack on the United States of America.

August Chili Cook – Off!

The Council had another great social on Wednesday, August 24th. Over seventy - five Knights, families and friends attended the second annual Chili Cook – Off. This social featured 14 various homemade chili entries with cornbread and hot dogs! There were also numerous desserts to choose from.

The evening started with the announcement of the 'Biggest Looser' contest. Our Grand Knight officially weighed in the first candidate – Worthy PGK Tom Gruel. Tom's goal is to lose 60 pounds in the next 90 days. The Council will monitor Tom's progress monthly during our social events. Several other Knights have also taken up the challenge to lose weight, eat right and exercise more.

The winners of the most coveted Blue Ribbons were:

- Spiciest Chili – Chris Ryder
- Alternative Chili (Turkey Chili) – Diane Eagle
- Overall Best Chili – Worthy District Deputy – Lou Stachowiak

Worthy Lou was awarded a deluxe George Forman Grill!

Thanks to all who made the great chili!

After dinner, we were privileged to have Richard Dawson (aka GK Bill) lead us in the 'Family Feud'. There were some tough questions... we are still trying to find places where car keys can be found in a car!!!!

The 2011 Grand Champion of the Family Feud was the Gooney family. This was a newly developed family combining members of the Rooney family with members of the Greul family.

What a great night – we all had great fun and cannot wait for next month.

WHAT'S - NEXT????

Our next social will be even better!! I can hardly wait..... On Wednesday evening, September 28 beginning at 6:00 PM, we are going to celebrate the end of the summer with a 'End of the Summer Family Picnic'. The Council will be providing Hamburgers, Hot Dogs and Corn on the Cob. Can you believe it!

We are asking everyone to bring other items that you and your family would enjoy at a picnic – macaroni salad, potato salad, etc. – whatever your family would like to have on a picnic. Don't forget the desserts!

There will be a variety of outdoor games for all to join in – including horse shoes, volley ball, balloon toss, and of course our end of summer bonfire. Please RSVP by September 23rd to using the contact info above.

Hope to see you all in September!

September is upon us and we are only about two weeks away from our annual golf outing. Please join us on Friday, September 16, 2011 at Oakmont Green Golf Course in Hampstead. Our recipient this year is Cormac "Mac" Murray. Mac

has a rare genetically inherited terminal disease called MLD. There is no treatment and no cure for this disease. **Please read the attached fliers** and you will see that Mac needs not only our financial assistance but also our prayers. The fliers and entry forms have been mailed out. Please open your hearts so we can help Mac. We still need foursomes and hole sponsors to make this event a success. We will also need several workers for the day of the event. Contact Dan Hundertmark, John Hundertmark or George Moriatis for more information.

We are also soliciting vehicle donations to support our scholarship fund. If you or anyone you know would like to donate a vehicle please contact me. We will sell the vehicle and provide you with the appropriate paperwork for your taxable deduction.

Congratulations to Josh Biddle, Barry Stoll, Joe Retkowski and Robert Fabich for making their first degree on August 10th during our regular Council business meeting. Congratulations also to Neil Forthman Jr. and Steven Hinerman Sr. who re-activated their membership in August. Welcome all, to our Council.

We are off to a great start toward our membership goal. We need new members to keep our Council active and new ideas to keep things fresh. I would ask each of you to reach out to someone and invite them to join our Council family.

If you have a candidate, contact me as soon as you can so we can have them interviewed and installed as soon as possible. There are many first degrees scheduled throughout the region and we would be glad to take them to another Council's scheduled first degree.

Wear your membership badges to church. Let's all work together so we can share something we all enjoy with others.

COUNCIL BENEFITS ADVISOR

ROTH IRAs and whole life insurance are the best ways to create tax-free money at death and also while living. If you are income eligible, a ROTH IRA will allow you to grow an asset tax-free and take tax-free distributions at a later time when both federal and state taxes are sure to be much higher than today's rates.

But whole life insurance is the best single financial tool in the tax code. Whole life insurance provides the best available leverage to use the smallest amount of money to create

the biggest source of tax-free money in the future. As one of my fellow benefits councilors likes to say, "Life insurance is the only legal way for an individual to print money". It is actually better than the ROTH because it has all the tax advantages plus the leverage aspect. Life insurance is the way to take care of yourself and your family without having to go through the government first.

Where do you find money to fund life insurance? Take inventory of your assets. Which ones are dead or not performing and can be leveraged? Which ones can be turned into tax free money? Which ones have no long term benefit? There are three kinds of money: money you need now, money you will need in the future, and money you will never need. The money you will never need should not "die on the tax vine". Use it, lose it or leverage it. In an ever increasing tax environment, you should want to move your money from taxed accounts to never taxed accounts, ROTH IRAs and life insurance. Email or call me using the information listed above, and I will schedule a fraternal benefits consultation with you.

7612 Council Family,

The Patriotic Degree of our great order is the fourth degree. We meet on the fourth Monday of each month at the ARC of Carroll County in Westminster. We will be participating in the Sept 11th 10 year anniversary on 9/11. The color corps will be presenting the flags in Taneytown during their day of remembrance. They have many great things planned for the day and many local groups will be involved as they unveil a statue remembering all who died that terrible day. Please try to attend if you can.

We are also having a Patriots dinner on Nov 6th at the 7612 council home where we will honor the men and women who put wreaths on

all of the head stones at Arlington National Cemetery. Tickets are \$20 and include a great meal and short program honoring these patriots for what they do. Please RSVP to Greg Lynch or myself to hold your seats. There will only be 120 tickets sold.

Concession Stand Project

Tony Gioio

It's RAVENs football season so it's time to man our Concession stand #124 at M&T Stadium and make some money to pay for our council's charities and activities. Running the stand is the most efficient way that we raise funds. There are no overhead costs, no outlaying of any fees or registration, all we have to do is show up, run the stand and take home our share of the profits.

I need volunteers, it takes 14 people to fully staff the Stand, and there are 10 games so I am going to need a lot of help to make this a successful season. I know we have the man power, so PLEASE enroll to take the TEAM training, if you haven't done so already. Also, please come on down and help us out for at least one game this year. To sign up to work a game or to register for TEAM training just give me a call.

The first RAVENS game is Sunday Sept 11 1pm
Pittsburgh

All TEAM training will occur at M&T Stadium,
Media Lounge, from 6-9 PM on the following
dates:

- Monday, September 12th
- Wednesday, September 28th

Cormac 'Mac' Michael Murray was born a healthy beautiful baby boy on September 10, 2004. He checked out perfectly & we were home in 24 hours ready to begin our new life as a family!

After hitting many of the infant milestones...sitting up, crawling, eating solids, saying some words...we became concerned at 18 months. The manner in which Mac 'walked' or attempted to walk was awkward at best. After checking out fine at an orthopedic appointment...the doctor said the next step would be for Mac to see a neurologist at age 2. We made the appointment with a children's neurologist at JHU straight away...we were not going to wait until Mac turned 2. Mac did great at his evaluation...we left the neurologist's office with a diagnosis of 'mild cerebral palsy'...we left the doctor's office that day with strict instructions to *'make college plans'* because Mac would *'get better at doing it (walking) badly'* with physical therapy & braces.

Fast forward roughly 1 year...and after many grueling physical therapy sessions & hours of stretching at home and wearing braces...Mac was not getting better at doing anything – in fact, he was getting significantly worse. He was not taking any steps anymore, he was not saying many more words, his hands had begun to shake, he was losing head control, he had had a few seizures & in general he seemed uncomfortable & downright unhappy at times. We were frustrated and sad for him.

We made our way over to Kennedy Krieger Institute to see a doctor there who specialized in cerebral palsy. After a very thorough initial examination so that they could get a 'baseline' for Mac...they agreed it was NOT cerebral palsy & wanted to reevaluate Mac again in 6 months. We scheduled a follow up appt. 6 months later they agreed that Mac was getting worse and ordered his blood and urine tests...they suspected a type of Leukodystrophy but were not sure which one yet.

1 month before Mac's 3rd birthday the test results were back & we received the news that Mac had a rare, genetically inherited, terminal disease called Late Infantile Metachromatic Leukodystrophy, or MLD. There is no treatment and there is no cure. With modern medicine and therapies we are able to keep Mac comfortable for the most part...but he has lost everything due to this devastating disease. He is 6 years old and he cannot walk, talk, swallow, move his limbs, sit upright, hold his head up or smile. He takes 8+ medicines every 6 hours to help control neurological pain, muscle spasms, seizures, contractions, reflux and many other things. He lives every day like a CHAMPION and he is our hero and our inspiration. The doctors told us most children with MLD do not survive past 5...our Hero is 6.5.

You can learn more about Mac and MLD here: www.caringbridge.org/visit/cormacmurray and www.macsteam.org THANK YOU for your support today. Thank you for helping Mac to **LIVE LIKE A CHAMPION.**
