# Council Meeting Notice and Vote

## Plan to attend February 1, 2018 and Vote

### **Brother Knights,**

The Supreme Council is requiring every Council that has a Home Association to enter into an agreement to either sell its Council Home or enter into an agreement known as a Terms and Use Agreement. This agreement is a document to separate all liability from the Home Association, the Council, the State Council and Supreme Council. That is what the February 1, 2018 meeting, official announcement below and vote is about.

I will be available to any member to discuss in more detail at the January 4, 2018 council meeting, by contacting me at my office (814-695-2814) or by email at [zanglaw@atlanticbbs.net](mailto:zanglaw@atlanticbbs.net).

The Supreme Council Checklist is available from the Star News Editor or copies will be available at the next meeting.

**\*\*PARTICIPANTS CAN ONLY SHOOT AT ONE COUNCIL COMPETITION\*\***

Brother Knights,

As the new year approaches I sit here and think about being the Grand Knight.

What should I be saying or doing to improve or maintain our council? Things I pray for are to see more participation at our events and fundraisers and more members attending the monthly meetings. All of which are very important to our council.

Unfortunately, if members choose not to participate we end up falling short of the potential for what we could have done for those in need. It takes the team work of us all to make our council events successful and to raise the funds needed to help others.

Perhaps as a New Year's resolution we should all donate more time to our Council and make a greater effort to attend the meetings or events.

It would be nice to see members I have not met or heard there name but can't put a face to that name.

I look forward to seeing you all at the next meeting.

God Bless and have a Merry Christmas and a Blessed New Year.

Fraternally yours,  
Rich

Rich

### Consolidating Our New Year's Resolutions

Brother Knights:

Think about it; we live in an age of consolidation for various reasons. We see consolidation in virtually every area of our lives.

Consolidation is a part of business, education, government (including the military) and yes, even the Church—especially the Church. Our parochial schools, our parishes, our ministries, etc.

have in way or another been and continue to be in a "consolidation mode."

Perhaps it is the lived reality of the 80's phrase of "Doing more with less."

Perhaps it is a manifestation of our high-tech age. Whatever the reason, whatever the area, we have all seen in one form or another, things consolidated.

I wonder, have we ever thought of consolidating our New Year's Resolutions? Perhaps a good place to start is to resolve to be more like Christ each day of the year. It's that simple. The traditional resolutions that are most often good and well-intended most often fall by the wayside a few months into the year.

doing more for the Church or community, making more time for family, working harder at our job, receiving the Sacraments and participating in spiritual activities more fervently, etc. are all good things. If we resolve to be more like Christ each day and take that commitment seriously, our resolutions are much easier to commit to, to manage, and to keep. Resolving to be more like Christ in every area of our lives is in my judgment the most comprehensive and yet practical resolution we can make.

Perhaps that can be our New Year's Resolution for 2018: Resolve to be more like Christ each day in our personal lives, our interpersonal lives, and our spiritual lives. And who better to help us imitate Christ more than His mother, Mary, Star of the Sea?
