*Father Bradley C. Baldwin, T.O.R.*

Brother Knights,

New year's day focuses on the year end reviews in the media recapping the major events for that year. It is also a celebration of beginnings, with New Year's resolution being a key feature of the holiday as people make goals for the coming year. During New Year's Eve people countdown to New Year's day with fireworks and music. Noted New Year's Eve events include the lighted ball that drops slowly from top to bottom on a pole on one of the buildings in Time's Square of New York city, which begins descending at 11:59 pm. People count-down at the same time as the ball drops. When it reaches the bottom, the New Year sign is lighted. People hug and kiss and wish each other "Happy New Year" which is said to be luck in the coming year.

Finally, January is also the time to remember our standing nationally as both a Catholic and Brother Knight for Pro-Life as we make our public appearance both in Washington, D.C. and San Francisco on Friday January 22nd. It is also when we take our 1 1/4 mile walk in Tyrone on Sunday January 17th. That takes us to the burial site of Baby Agnes Doe. In a cemetery that is located right next to the Tyrone Hospital, which is used as an abortion clinic. So let us continue to show the strength of our faith in our battle with helping to end the passed and written law regarding Roe vs. Wade to help put an end to the legal rights regarding Pro-Choice of abortions.

Fraternally Yours  
Barry L.
