## **The Grand Knight**

Dear Brothers,

Thank you to all of you for your support of me as Grand Knight. Although everything hasn't gone as planned, we still have an active and vibrant council. Let's keep growing.

The council officers got together and planned a budget for the rest of the year; it is ambitious. We are in the process of getting it published for your approval.

In May our council will celebrate 65 years since chartering. From the simple beginnings of Father McGivney, several thousand councils have grown up around the world. Through all that time, the Knights of Columbus continues to support the pope, priests, seminarians, children and families. All human life, from conception until natural death, has a worth and dignity simply by being human. As God-given, the right to life is intrinsic and inalienable, and does not depend on the quality of that life being up to a certain functional norm. No one has the authority to take the life of another or to discard his own. In this season of Lent, I encourage you to remember the life that was given to redeem all of us.

## **Lecturers Desk,**

Brothers, as we move through the Lenten Season to our renewal of Our Spirit, let us open our eyes to those around us who are less fortunate. Pray and offer an uplifting hand to those who are ill, homeless, elderly or disabled, and continue to pray for the Police and First Responders, who every day, risk all to protect and serve. Guard and protect all Veterans who also serve, and have served, to make this country free so that we can enjoy the freedoms that we sometimes fail to appreciate. This is our America it will only be as great as we make it.
