THE CHAPLAIN'S CORNER

My Dear Fellow Knights,

We begin a new year as a Council with new leadership at the helm of our mission to bring charity, unity and fraternity to our brotherhood and community in which we serve. There is an opportunity here to apply the principle lessons we learned in each of our degrees. How good it is to put them into practice! What a positive impact we can make on the people we encounter?

Charity flows from the fact that God first loved us. Throughout the scriptures there are bunches of stories of God's love impacting the lives of his people. It often speaks of God's tenderness and mercy which flow directly from God's love for us.

Unity is the result of God's willingness to forgive us and His invitation via Jesus Christ to extend that loving mercy by forgiving others. Forgiveness is possible because God first loved us. Forgiveness is the direct result of God's desire to love us. Unity results when we strive to forgive one another. Sin separates. Love/mercy binds together again. Love holds us together in unity.

Fraternity is the direction in which Christ leads his flock. His message and actions clearly demonstrates his efforts to remove the obstacles that keeps humanity apart. Jesus goes to great lengths to call us together as one family offaith. He removes the barriers that separates us and enjoins us to work toward what St. Paul would later write "to preserve the spirit of unity ina bond of peace."

(Eph. 4:1-6) Fraternity was so vital to Christ's work that in the final prayer at the Last Supper Jesus addresses his Father, "I pray that they will all beone, just as you and I are one--as you are in me, Father,

"and I am in you. And may they be in us so that the world will believe you sent me. (Jn 17:21)

Let us then this new year of our Council, be even more committed to our brotherhood so that our lives will reflect our calling to charity, unity and fraternity. May we become examples to our families, churches and communities of these threefold virtues and may the world in which we live and serve become a much better place.

Veni Creatur Spiritu,

Fr Tom

FOR THOSE WHO SERVE OTHERS

O Lord our heavenly Father, whose blessed Son came not to be served but to serve: Bless, we beseech thee, all who, following in his steps, give themselves to the service of others; that with wisdom, patience, and courage, they may minister in his name to the suffering, the friendless, and the needy; for the love of him who laid down his life for us, the same thy Son our Savior Jesus Christ, who liveth and reigneth with thee and the Holy Spirit, one God, for ever and ever. Amen.

Words from the Grand Knight

Brother Knights,
If you have received your latest issue of Columbia magazine, you noted the article on the new model for our activities - "Faith in Action (FIA)." FIA is the new umbrella program that covers all programs recommended by our Supreme Council. It categorizes programs according to our main priorities as an Order: Faith, Family, Community, and Life.

Faith represents our primary goal: to strengthen men and their families in our Catholic faith. Family represents our commitment to keeping families strong, especially in these turbulent times. Community represents our mission of performing works of charity in our communities. Life represents our commitment to the defense of life in all its stages and conditions, to paraphrase St. John Paul II.

The Supreme Council has recommended 32 programs as part of FIA. However, we as a council have a great deal of independence and responsibility in conducting programs that may fit these four categories. For example, our Bike Project is something of which we are all very proud, and nothing in FIA says that we must curtail it in favor of other programs. What FIA represents is a benchmark for any projects that we may undertake, to make certain that they fit the calling of one of those four categories. There are required programs for our council to earn a Columbian award, but nothing in the Supreme Council's directives requires us to undergo any specific program to maintain our charter.

As we continue through this new year and the years to come, let us be mindful of FIA not only as a guide for our council, but also as our conduct as individual Knights.

Vivat Jesus!

Ken Williams
Grand Knight

KNIGHTS OF COLUMBUS INSURANCE *Your Shield for Life*

Five Things You Need to Know Before Talking to Your Insurance Agent

Our agents can advise you on what insurance policies are best for you and your family — that's why they're so helpful. Still, you might be hesitant to sit down with your agent for various reasons. Here are a few things to keep in mind the next time you sit down with a KofC agent to alleviate all your fears.

1. What should a family expect when sitting down with a KofC agent?

A family should expect to visit with a professional and intelligent representative of the Knights of Columbus who is going to bring a great deal of value to their family.

2. What would they discuss?

The agents will start by discussing the history and current events of the Knights of Columbus, then transition into discussing what is going on in the member's life, and then finally educate the member on how we may be able to better their situation financially.

3. Why is this meeting important?

A member's life can change in an instant, and everyone should always be prepared for the unthinkable to happen so their family is okay.

4. Why should families meet regularly with their agent?

Life is always changing. New jobs, new houses, etc. All these things change the financial needs of a family.

5. Why should families choose KofC Insurance?

Personal service is a lost art in our world today. But our agents are not just business men, they are brother Knights and your well-being is their business 24/7. This type of service is so important when you need help the most.

Did You Know?

1 in 4 of today's 20-year-olds will be disabled before they turn 67.

Are you prepared if it happens to you?

Visit with your agent to discuss how Knights of Columbus disability income insurance can let you earn an income when you can't work due to a disability.
