THE CHAPLAIN'S CORNER

Voice of an Angel

(Author: Unknown to us)

Once upon a time there was a child ready to be born. So one day he asked God: "They tell me you are sending me to earth tomorrow but how am I going to live there being so small and helpless?"

God answered, "Among the many angels I chose one for you." She will be waiting for you and will take care of you."

The child thought a while and asked God. " But tell me, here in Heaven, I don't do anything else but sing and smile, that's enough for me to be happy."

God answered, "Your angel will sing for you and also smile for you every day, and you will feel your angel's love and be happy."

"Oh," the child said, "and how am I going to be able to understand when people talk to me, If I don't understand the language that men speak?"

God answered, "Your angel will tell you the most beautiful and sweet words that you will ever hear, and with much patience and care, your angel will teach you how to speak."

The child looked at God and asked. "What am I going to do when I want to talk to you?"

Help save a Life!

GIVE BLOOD

November 15th at Holy Spirit 2-7 pm

God softly touched the child on the head and said, " Your angel will place your hands together and will teach you how to pray."

"I've heard on earth there are bad men. Who will protect me?"
The child asked.

"Ah," God answered, " "Your angel will defend you even if it means risking its life.

"But, I will always be sad because I will not see you anymore."

"Your angel will always talk to you about me and will teach you the way for you to come back to me, even though I will always Be next to you," God answered."

At that moment there was much peace in Heaven, but voices from earth could already be heard, and the child in a hurry asked softly: "Oh God, if I am about to leave now, please tell me my angel's name."

Sweetly God looked at the child and whispered, "Your angel's name is of no importance. You will call your angel, MOM."

FOR THOSE WHO SERVE OTHERS

O Lord our heavenly Father, whose blessed Son came not to be served but to serve: Bless, we beseech thee, all who, following in his steps, give themselves to the service of others; that with wisdom, patience, and courage, they may minister in his name to the suffering, the friendless, and the needy; for the love of him who laid down his life for us, the same thy Son our Savior Jesus Christ, who liveth and reigneth with thee and the Holy Spirit, one God, for ever and ever. Amen.

Words from the Grand Knight

Dear Brothers:

This autumn marks the fortieth anniversary of the Jonestown massacre. I was not quite twenty-one at the time, just beginning my journey into the Catholic faith. The images of the dead bodies strewn around the compound – many of them small children – haunt me to this day.

The Rev. Jim Jones may have been an ordained minister, but Jesus's message was never the center of his movement. He preyed on the most vulnerable: the poor, the disenfranchised, and those with an emptiness in their souls. He enticed them with his vision of an earthly paradise, and brainwashed them into worshipping him, not God. He then led them into the Guyana jungle and murdered them.

Perhaps the most chilling image of the massacre was a photo of the compound's central meeting room. Hanging over the dead bodies was a sign, all in capital letters: **THOSE WHO DO NOT REMEMBER THE PAST ARE CONDEMNED TO REPEAT IT.** That is a warning, but not just to the would-be followers of false prophets. It is a warning to us. When we fail to serve the poor, marginalized and broken, they may turn to the Jim Joneses of the world.

Let us not forget Jesus's last commandment to us: "Love one another as I have loved you." And let us not forget the victims of Jonestown, and pray for them.

Vivat Jesus.

KNIGHTS OF COLUMBUS INSURANCE *Your Shield for Life*

What is it?

Disability income insurance helps replace lost income when you are unable to work due to a disability resulting from an illness or accident.

Who needs it?

Disability income insurance helps protect your most important financial asset – your paycheck – so it should be an important part of every family's planning. Long-term disability is much more common than other unfortunate circumstances that are commonly covered by insurance. Consider the fact that you face a 1 in 100 risk of losing your home to a fire [1], but a 1 in 4 risk of suffering a long-term disability [2].

Despite the odds and the prevalence of long-term disability – nearly 11 million Americans are receiving federal disability benefits[3] – more than 100 million Americans are without private disability income insurance.[4] In addition, any disability income insurance you may have through your employer may very well be insufficient or contingent on certain circumstances (like worker's compensation).

How does it work?

Knights of Columbus disability income insurance policies provide a monthly benefit amount over the course of a maximum benefit period (see below) designed to help replace the income that you would have otherwise received if you were able to work. You are free to use your disability income benefits in whatever way you see fit – just like you would with your own paycheck.

Knights of Columbus Disability Income policies also come with special features, such as the total, partial, or presumptive disability income benefits, which help protect against special circumstances. As an added bonus, our disability income insurance policies come with a waiver of premium provision, which waives your policy's premiums while you're suffering from a disability.

What options do I have?

Benefit Period

The maximum benefit period is the longest period for which monthly disability benefits are payable for any one period of a disability. The benefit resets once the disability concludes.

You may choose from:

2-Year – Protect your paycheck with two years of disability income payments.

5-Year – Protect your paycheck with five years of disability income payments.

To Age 67 – Protect all your working years with disability income payments until you reach retirement age.

Monthly Benefit

Working with your Knights of Columbus field agent, you establish the monthly benefit amount that the policy provides, based on your income and subject to certain limits.

Elimination Period

Disability income insurance policies come with an elimination period, which serves as your deductible or out-of-pocket amount. You can select a 30, 90, or 180-day elimination period, after which time your benefits will begin to be paid.

Additional Features and Benefits

A number of special features and benefits – often called riders – are available on Knights of Columbus disability income insurance products. For instance, the catastrophic disability rider provides an additional monthly benefit in the event of a catastrophic disability, and the cost of living adjustment rider helps your monthly benefit keep pace with inflation during a long-term disability.

Contact your Knights of Columbus field agent today to learn more about our disability income insurance products, and about the safety and security that we can help provide.
