Chaplain's Message by Rev. John Sauer

As we continue our Lenten journey, it might be a good time to stop and take stock. How are we doing? Am I more charitable? Am I more prayerful? Am I less attached to food and to things? The Lenten disciplines of prayer, fasting, and almsgiving or works of charity are designed to give external expression to our inner conversion. They also help us with that work of inner conversion by making it concrete in our daily life.

Around the middle of Lent, we may become somewhat apathetic. We don't see the changes. Maybe the disciplines we chose are proving harder than we thought. Perhaps Lent has moved into a kind of routine. When that happens I try to look at why I am doing this? It is to become more like Christ and to live more fully our baptismal vocation. We can do this best by making more room in our lives for God.

In his book, *The Challenge of Peace*, the late Cardinal Joseph Berardin takes up this topic: *God speaks very gently to us when he invites us to make more room for him in our lives. The tension that arises comes not from him but from me as I struggle to find out how to offer him fuller hospitality and then to do it wholeheartedly. The Lord is clear about what he wants, but it is really difficult to let go of myself and my work and trust him completely. The first step of letting go, of course, is linked with my emptying of myself of everything - the plans I consider the largest as well as the distraction I judge the smallest - so that the Lord really can take over.*

May the rest of your Lent be filled with grace and blessing.

Grand Knight's Message by Steve Dornquist

Dear Knights:

Another month has gone by. Again too fast for most of us. Sometimes we don't have time to cover all the bases so we try to skip one now and then. Just remember: the bases you missed need to be touched to score the home run. What am I talking about? The game of life on the way to Heaven.

May God bless

Benefits Corner by Kevin Gallagher

I remember reading an article years ago entitled "Things You'll Never Hear a 65 Year Old Say". At the top of the list was..."I wish I hadn't bought as much permanent life insurance as I did when I was younger. This week alone, I heard four Knights make the comment "I just wish I'd bought more!" It happens a lot more than you might think.

Here's an interesting fact. Less than 2% of all term insurance issued ends up as a death claim. It's such an unbelievable figure it questions credibility. But I assure you; it's correct and really hasn't changed over time.

As many of you know, I've always been an adamant believer and supporter of both term and permanent life insurance. Like so many things in life, it just depends on the situation. Can you imagine a dentist recommending a filling when a root canal is necessary or a doctor advising therapy when surgery is appropriate? Again, what are the circumstances and what will really and truly fix the problem? I recall someone once said when someone says the only way to go is one way or the other (never mind the circumstances) that that tells you more about what that person doesn't know than what they do know. With all due respect, I completely agree with whoever made that statement.

The bottom line is when (remember "not if") you die your family isn't going to give a hoot what kind (term or permanent) you have...just that you have it. And...an amount that is going to allow them to continue to live a decent and comfortable life...which is exactly what you would want for them. Imagine insuring your home valued at \$150,000 for \$75,000! You wouldn't even think of doing it! Your friends would think you're crazy and they'd be right. And so it is with life insurance. It really comes down to two basic questions...how much and what kind. Simple.

Your Knights of Columbus Insurance Company offers a wide variety of term and permanent life insurance (as well as long-term care and retirement annuities). As I've mentioned before, you can rest assured knowing our products are the envy of the industry.

Why not give me a call to talk about it...the "how much and what kind". I assure you our time together will not be wasted. I can be reached at **213-9410** or Kevin.gallagher@kofc.org. Thank you for taking the time to read my column. As always, I welcome your thoughts and questions. Until next month.

Sacred Heart Cemetery Crucifix Project gets Council & Assembly support

Grand Knight Steve Dornquast (left) and Faithful Navigator LaVerne Klecker (right) presented LaVern Soukup a \$1,000 check, representing \$500 from Council 945 and \$500 from the Fourth Degree Assembly, for the Sacred Heart Cemetery Crucifix Project.

KC Council 945 and Msgr. Henry Speck Fourth Degree Assembly demonstrated their support for the Sacred Heart Cemetery Crucifix Project with a \$1,000.00 donation at our respective March meetings, and a benefit breakfast scheduled for April 10.

This project was originated by Brother Knight LaVern Soukup in the Fall of 2008. LaVern recognized the need to replace the Jesus and Mary shrine at Sacred Heart Cemetery that had deteriorated over the years and was removed. Working with the Sacred Heart Cemetery Board, the plan evolved to erect a crucifix that would be located in the same area as the original shrine, on the East cemetery boundary, facing Cedar Avenue. It includes a 12-foot mahogany colored granite cross, with 3-foot arms, and a statue of Jesus corpus carved from white granite. The crucifix will be lighted and there will be a patio area with benches.

The cost for this project is \$25,000. Of this amount, \$12,500 has been raised from donations. There is a significant lead time to get the cross and statue created. To complete the project this year, we need to have the order placed by April 30. We have the ambitious goal of raising the remaining \$12,500 balance in one month. With your generous support, this is possible. A donation of any amount will help us reach our goal and will be appreciated. A donation envelope has been included with The Key.

Father Edward Mountain, our Council's future namesake, is a strong supporter of this project. Father Mountain commented to LaVern Soukup recently, "I intend to celebrate Mass at the crucifix when it is completed. I'm 87 years old, so you better get busy!"

Divine Mercy Sunday
Sunday May 1 - St. Joseph's Church - 3:00 p.m.

The Knights of Columbus is a Catholic, family, fraternal, service organization. This is not a self-serving group of men, but a legion of volunteers who participate in programs that benefit the entire community in which they live, work, and play. From hosting and serving benefit breakfasts and dinners for various community outreach groups to bell-ringing for the Salvation Army, these men and their families share their time, talents, and treasures all over the county, state, country, and world.

For Divine Mercy Sunday, May 1st, the Knights are inviting all to come pray together at St Joseph Church for the forgiveness of sins, our own and those of the whole world. We are asking that you and your family add your voice to the many in praying a Rosary and the Divine Chaplet together with us, as brothers and sisters in the Body of Christ. When all else fails, we still have prayer.

Knight of the Month

Harlan Kern

Our February Knight of the Month is Harlan Kern. Harlan is an Owatonna native who's been a member of the Knights for more than 30 years. It was the chance to serve people that appealed to Harlan all those years ago. "I was a Catholic and I wanted to help out," was the reason he gave for joining back in the 70's.

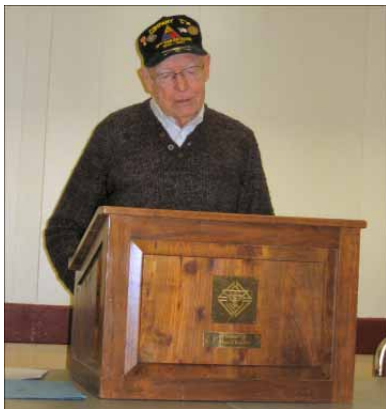

A member of St. Joseph's, Harlan can still be seen helping out the many good works of the Knights, whether it's the benefit breakfasts, selling Tootsie Rolls, or the yearly Smokin' in Steele fundraiser. It's the chance to give back, yet he still receives, saying, "I enjoy the fellowship and all the good friends I make when I'm working on those projects."

He is a member of the KC Chorus where he sings bass and is a valuable member, never missing an early Saturday morning practice. In addition he recently became a member of the Msgr. Henry Speck Assembly -- Fourth degree. Harlan was a part of the record breaking exemplification class which was held in Owatonna in October.

Harlan has worked at the Napa Auto Parts warehouse for the past 27 years. He and his wife Renee have two grown sons, Nicholas and Jason. Nicholas works in Waseca as a police officer, and Jason is in his third year of theology at Sacred Heart Major Seminary in Detroit, Michigan.

Harlan is currently the Vice Chair of the St. Joseph's Parish Council, and enjoys spending time with his family. He also likes to garden and enjoy the outdoors. Congratulations to Harlan Kern, Council 945's Knight of the Month!

PGK Tom Kingsley describes WWII experiences

Tom Kingsley recounts his interesting and somber WWII experiences.

He started by saying, "I'm no hero." But, from the moment Tom Kingsley began speaking, he had everyone's full attention. At the March 9th meeting of Council 945, Past Grand Knight and U.S. Army Veteran, Tom Kingsley, described his time as a soldier during World War II, manning a 35-ton tank as American forces swept into Germany.

Kingsley joined the Army back in 1943 when he was 17 years old, after an Army recruiter told him that he'd get drafted anyway. It wasn't long after

that he found himself in the European Theater, fighting to free that region from Adolf Hitler's grip. Kingsley recounted those days, coming under enemy fire, describing the tank that took him from the Rhine River to Munich, and describing the scene at the Dachau concentration camp as American Forces liberated that infamous site of murder and genocide.

Kingsley described the sign he saw above the entrance to the concentration camp that day in April 1945. Written in German, it translated to "Work Makes You Free." Once inside, he witnessed evidence of the atrocities the Nazis committed there against their prisoners. He saw deep ditches filled with corpses. He saw railroad cars with bodies falling out of them. He saw bodies stacked outside of a large furnace. He saw what no man should ever see.

Despite the horrors he and his comrades had seen, they needed to soldier on to Munich. His company took the Munich airport with little resistance, and later heard that a German man trying to

Members and guests were deeply touched by the details of Tom's WWII experiences.

escape the airport was captured. That man was Wernher von Braun, the famous rocket scientist.

Kingsley became emotional when he spoke of his visit to the home formerly occupied by Adolf Hitler. Germany had been conquered. The 101st Airborne occupied that house, which had a collapsed roof. He remembers standing in the home while looking out at the German countryside. He had an uneasy feeling, having stood where Hitler had. Kingsley returned to that area in 1987. The land that Hitler had seized decades before was returned to the families who owned the land. The elaborate buildings had been removed.

"I look back and think how fortunate I was," Kingsley said. "So many people died and were suffering, but I was spared." Kingsley continues to share in the good fortune. He says there were 107 men in his company. Six are still living.

As Kingsley wrapped up his interesting hour-long presentation, which could have easily gone longer, Council 945 members and their families applauded him for sharing his story, and fighting for freedom as a member of the U.S. Army. To them, he is a hero.
