## **MEN'S CURSILLO WEEKEND**

### **THE CURSILLO WEEKEND?**

During the three days of the Cursillo weekend from Thursday evening to Sunday evening, people from all walks of life grow close to one another. Religious and lay people form a living, working Christian community to gain a deep awareness of the treasures and responsibility of their faith. The goal of the Cursillo weekend is to give those who make it a new understanding of Jesus Christ, the basic Christian truths, and the desire to serve the church.

The Cursillo weekend is a blend of seriousness, light heartedness, spiritual exercises, talks and discussions. The teachings of Christ are discussed within an atmosphere of joy and song. There are meditations and talks by priests and laymen, and everyone making the Cursillo weekend is urged to participate by taking notes, discussing, and even by making drawings that illustrate major points.

The Cursillo weekend ends at the close of the three days. However, the whole point of the Cursillo movement is that ordinary people can steadily grow in the love and service of God and man for the rest of their lives. Christian growth is not easy, but the Cursillo weekend provides a framework for it, both during the three days and afterwards. In the Post-Cursillo, emphasis is on maintaining a vibrant and growing Christian community, thus springs the apostolic action required to make ours a better world to live in.

For many, a Cursillo weekend is a new awakening to a deeper friendship with Christ.

## RELIGIOUS LIBERTY

### Building the Domestic Church

And it happened that, while he was with them at table, he took bread, said the blessing, broke it, and gave it to them. With that their eyes were opened and they recognized him, but he

vanished from their sight. Then they said to each other, "Were not our hearts burning [within us] while he spoke to us on the way and opened the scriptures to us?" (Gospel for April 21, Lk. 24:30-32)

A "fire in the belly," passion, a drive: these are some of the ways we talk about others who can summon a deep, inner motivation and who make a difference. My brothers, can we say the same about our inner drive to go deeper in our Church's teaching? Do our hearts "burn within us" and cause us to daily familiarize ourselves with the riches of our faith? Do we have a fire in the belly to be the kind of men who don't stand silent at the water cooler when we hear our Church's teaching denigrated by colleagues? In order to lead with faith we need to know our faith. We can't give what we don't have. By God's grace, may we each become disciples whose "hearts burn within us."

#### Challenge by Supreme Chaplain Archbishop William E. Lori:

This month I challenge you to deepen your desire to have a heart 'burning within you' for new knowledge of the Church's teaching and doctrine. Invest five to ten minutes a day reading the *Catechism* or other resource, watching a Catholic talk online, or taking advantage of a local formation opportunity. Secondly I challenge you to talk with a brother in Christ about what you're learning.

### Degree
