## **MEN'S CURSILLO WEEKEND**

### **THE CURSILLO WEEKEND?**

During the three days of the Cursillo weekend from Thursday evening to Sunday evening, people from all walks of life grow close to one another. Religious and lay people form a living, working Christian community to gain a deep awareness of the treasures and responsibility of their faith. The goal of the Cursillo weekend is to give those who make it a new understanding of Jesus Christ, the basic Christian truths, and the desire to serve the church.

The Cursillo weekend is a blend of seriousness, light heartedness, spiritual exercises, talks and discussions. The teachings of Christ are discussed within an atmosphere of joy and song. There are meditations and talks by priests and laymen, and everyone making the Cursillo weekend is urged to participate by taking notes, discussing, and even by making drawings that illustrate major points.

The Cursillo weekend ends at the close of the three days. However, the whole point of the Cursillo movement is that ordinary people can steadily grow in the love and service of God and man for the rest of their lives. Christian growth is not easy, but the Cursillo weekend provides a framework for it, both during the three days and afterwards. In the Post-Cursillo, emphasis is on maintaining a vibrant and growing Christian community, thus springs the apostolic action required to make ours a better world to live in.

For many, a Cursillo weekend is a new awakening to a deeper friendship with Christ.

CARDINAL BELLARMI COUNCIL #4849

## DOMESTIC CHURCH

### Theme – Hospitality

Led by the Spirit, the family circle is not only open to life by generating within itself, but also by going forth and spreading life by caring for others and seeking their happiness. This openness finds particular expression in hospitality, which the word of God eloquently encourages: “Do not neglect to show hospitality to strangers, for thereby some have entertained angels unaware” (Heb 13:2). When a family is welcoming and reaches out to others, especially the poor and the neglected, it is “a symbol, witness and participant in the Church’s motherhood.” Social love, as a reflection of the Trinity, is what truly unifies the spiritual meaning of the family and its mission to others, for it makes present the kerygma [teachings] in all its communal imperatives. The family lives its spirituality precisely by being at one and the same time a domestic church and a vital cell for transforming the world.

1. What are some specific ways in which our family practices hospitality within our home? In what ways is hospitality challenging for our family, and in what ways does it help our family grow in grace and happiness?
2. Have we ever thought of hospitality in terms of welcoming the other as Christ? How might this calling of Christian hospitality change our practices of hospitality?

What are some ways as a family to grow in hospitality? How might we open our home more to the poor, lonely, brokenhearted and neglected? Is there someone who has a rough family life that could use some time around our family for the support and encouragement that love offers?
