THE VISION OF FATHER MCGIVNEY

In the early spring of 1882, Father Michael J. McGivney conceived the idea of an organization of Catholic men who would band together.

- † To aid one another in times of sickness or death by means of a simple insurance plan, so that their wives and children would not face abject poverty.
- † To strengthen themselves and each other in the Faith
- † To strengthen families and family life.
- † To be a strong pillar of support for their priests and bishops
- † To be of service to church and community by coming to the aid of those most in need in Society.

THE PRINCIPLES OF THE ORDER ARE:

Charity—As Knights, we are committed to charity, easing the plight of those less fortunate

Unity—To remain steadfast in unity to speak out for religiously grounded moral values.

Fraternity—To band together to help one other in times of distress, sickness and death.

Patriotism—To bear witness to the values of devotion to God and country, the bedrock of patriotism

This global organization includes nearly 1.6 million members in over 13 different Countries.

It's members have the opportunity to share in an insurance plan that is one of the largest life insurance companies in the United States.
