Weekly news for Knights around the world

Each January, we reaffirm our commitment to promoting the dignity of every human life by marking the anniversary of Roe v. Wade, the U.S. Supreme Court ruling that legalized abortion across the United States. This issue includes resources to help you defend the dignity of life both at the national March for Life in Washington, D.C., and locally.

Journey of Faith

Almost four years ago, Faith Major was engaged to be married when she found out she was pregnant. Her fiancé soon broke up with her because she insisted on giving birth to the baby. At a time when she felt betrayed and alone, a K of C family helped her keep the baby, return to God and find love. [READ MORE](#)

Support the Ultrasound Initiative

One of the most effective ways that Knights help expectant mothers is through the Knights of Columbus Ultrasound Initiative. Ultrasound machines give women the opportunity to view their unborn children at pro-life pregnancy centers and have led countless women to choose life. [Click here](#) to donate to the initiative.
