### State of the Club

Greetings Knights and Columbus Club members,

Let me thank you in advance for taking the time to read this and other documents in this mailing. The time has come for my-self and the officers of your club to appeal to you. We are in a tough financial state, and every month is a struggle to keep our doors open. Allow me to list some of the reasons we feel this club is worth the effort and the need for your financial help.

1. Over the years this organization has been a great help to many less fortunate in our community, through our ability to give not only financial assistance, but our time and energy.
2. Our club supports our local churches, by volunteering in many capacities and always heeds the call of clergy to help a family in need.
3. We provide an affordable place for weddings, funeral luncheons, wedding and baby showers, birthday parties, and other gatherings for all people in the community.
4. We donate the hall to many local not for profits and those having benefits, so they may keep more of the funds they raise to help others.
5. The Knights of Columbus have had a presence in Vermilion County for 115 years. There is a great deal of history and family connections that cannot be measured in money. How many of us have served alongside our fathers, uncles, brothers, and sons, at various events and fundraisers. We can't leave out the tremendous help our mothers, wives, sisters, and daughters have also contributed.

There are many more examples to talk about, but let me get to the point.

We would like each member to find it in their hearts to give a onetime donation of \$300 dollars.

We have 400 members and if WE ALL participate, we can eliminate our mortgage. We can also, pay back funds to members who have graciously loaned us money to keep us going month to month.

This donation would also allow us to operate in the black, with funds in reserve for emergencies. With an aging building there are always problems that will arise.

When we accomplish this goal together, we can then hold fundraising events to help our parishes and community. Every taco night, every breakfast, etc. will be earmarked to a specific charity or community need.

One may ask have the officers exhausted every way to avoid this, the answer is a resounding yes. Every dollar spent and expense has been examined to see if it could be cut. The time is now for everyone to help, and the success of this appeal will determine our future decisions.

**Please consider donating to this appeal or joining the "52 Club"**

Again thank you for taking the time to read this,

Allen Rathgeber,  
Grand Knight.

Michael Puhr, Club Coordinator – 217-260-1983, [michaelpuhr@comcast.net](mailto:michaelpuhr@comcast.net)

August 15, 2018

My Brother Knights and Columbus Club Members,

As I begin my 7<sup>th</sup> year as the Columbus Club Coordinator and Treasurer, I will have now worked with three different Grand Knights. Over the course of the past six years there have been constant financial struggles. We have had some good years, but more recently we have seen revenues decline in sales, rentals, and especially video gaming. Video gaming we thought would be our savior, but it has declined and average of 15% each of the past three years. We have also seen our maintenance cost increase on our HVAC, refrigerators and coolers. We all have to understand our building is 22 years old and in need of maintenance. In an effort to help with overhead, over the past 6 years, I have donated over \$36,000 to help keep the doors open. I have also assumed most of the accounting duties in an effort to keep expenses down.

You the members own this Danville Columbus Club and therefore it is my duty to provide you with the financial statement of the organization. I hope you take time to look it over and see the comparison to the previous year. Some of the line item comparisons will be only for a partial year since the Columbus Club didn't assume paying all bills until February 2017. The Columbus Club fiscal year is July 1-June 30. Look at the revenues and expenses, and if you have any questions feel free to contact me either by phone or email.

In an effort to help offset the cost of operating this facility we are once again starting the **"52 Club"**. When this was introduced in 2013 it had overwhelming support from the membership of the Council and Club. The **"52 Club"** helped tremendously in reducing the mortgage which was \$180,000 and now stands at \$85,000. Unfortunately when we received the Video Gaming Machines support dwindled, because of the new revenue stream. That revenue stream is slowly going away and we again need your help and support.

**Please consider joining the "52 Club", the explanation of how it works is included in this mailing, or consider participating in the Appeal.**

As always, please support your club. Please participate in the activities we provide. Please encourage your friends to utilize the hall. Please feel free to share your ideas on activities, and events. And most importantly please volunteer to help with our many functions.

Sincerely,

Michael Puhr  
Club Coordinator and Treasurer
