## **MEN'S CURSILLO WEEKEND**

### **THE CURSILLO WEEKEND?**

During the three days of the Cursillo weekend from Thursday evening to Sunday evening, people from all walks of life grow close to one another. Religious and lay people form a living, working Christian community to gain a deep awareness of the treasures and responsibility of their faith. The goal of the Cursillo weekend is to give those who make it a new understanding of Jesus Christ, the basic Christian truths, and the desire to serve the church.

The Cursillo weekend is a blend of seriousness, light heartedness, spiritual exercises, talks and discussions. The teachings of Christ are discussed within an atmosphere of joy and song. There are meditations and talks by priests and laymen, and everyone making the Cursillo weekend is urged to participate by taking notes, discussing, and even by making drawings that illustrate major points.

The Cursillo weekend ends at the close of the three days. However, the whole point of the Cursillo movement is that ordinary people can steadily grow in the love and service of God and man for the rest of their lives. Christian growth is not easy, but the Cursillo weekend provides a framework for it, both during the three days and afterwards. In the Post-Cursillo, emphasis is on maintaining a vibrant and growing Christian community, thus springs the apostolic action required to make ours a better world to live in.

For many, a Cursillo weekend is a new awakening to a deeper friendship with Christ.

## RELIGIOUS LIBERTY

### Building the Domestic Church

“Whoever does not carry his own cross and come after me cannot be my disciple. Which of you wishing to construct a tower does not first sit down and calculate the cost to see if there is enough for its completion?” (Gospel for Sept. 8, Lk 14:27-28)

In more than four decades as a priest and bishop, I’ve been involved with building a number of new churches and schools. We often start by “dreaming big.” Then reality hits: What are we willing to spend? Jesus is asking each of us a similar question about our life of faith. In our lifelong journey to become saints, are we regularly sitting down to consider the cost and fully prepare ourselves to pay it? My brothers, above all other things, may we always prepare to carry our crosses and give our entire lives to Christ.

#### Challenge by Supreme Chaplain Archbishop William E. Lori:

This month, I challenge you to learn more about the life of one of the martyrs and how he or she was prepared to pay any price to follow Christ. Second, I challenge you to participate in the Faith in Action Into the Breach program or read *Into the Breach* on your own with a particular eye toward how we can best prepare to carry our crosses.

#### Questions for Reflection:

What cross is Christ asking you to carry in your life? Are you willingly taking up the cross and seeking to follow Christ or trying to avoid the cross? In what concrete ways can you imitate the martyrs’ total commitment to Christ?

### Degree
