MEN'S CURSILLO WEEKEND

THE CURSILLO WEEKEND?

During the three days of the Cursillo weekend from Thursday evening to Sunday evening, people from all walks of life grow close to one another. Religious and lay people form a living, working Christian community to gain a deep awareness of the treasures and responsibility of their faith. The goal of the Cursillo weekend is to give those who make it a new understanding of Jesus Christ, the basic Christian truths, and the desire to serve the church.

The Cursillo weekend is a blend of seriousness, light heartedness, spiritual exercises, talks and discussions. The teachings of Christ are discussed within an atmosphere of joy and song. There are meditations and talks by priests and laymen, and everyone making the Cursillo weekend is urged to participate by taking notes, discussing, and even by making drawings that illustrate major points.

The Cursillo weekend ends at the close of the three days. However, the whole point of the Cursillo movement is that ordinary people can steadily grow in the love and service of God and man for the rest of their lives. Christian growth is not easy, but the Cursillo weekend provides a framework for it, both during the three days and afterwards. In the Post-Cursillo, emphasis is on maintaining a vibrant and growing Christian community, thus springs the apostolic action required to make ours a better world to live in.

For many, a Cursillo weekend is a new awakening to a deeper friendship with Christ.

Greetings to my Brother Knights

November looks like a good month, starting on the 3rd with Pasta for the Priesthood, followed by the Pancake breakfast on the 11th, for Wheelchairs for Vets and the end of the Coat Drive on the 18th.

Getting ready for December with the St Anne's Cookie and Craft Fair on the 2nd, where we will be doing something different this year, we are not going to sell anything except ourselves and promote Keep Christ in Christmas by giving away buttons and Rosary Rings. This will also be the kick off to the new program Consecration to the Holy Family by handing out preparation brochures for the event on the 29th & 30th when we will hand out the Prayer Cards. On the 4th will be the Light up for Christ prayer program before our meeting at 7 pm outside by the crèche

We still have a few vacant positions left to fill if interested contact me, they are Recorder and Lecturer.

CARDINAL BELLARMI COUNCIL #4849

RELIGIOUS LIBERTY

Election Day Reminder

With election day quickly approaching this is a good reminder about how important the protection of religious liberty is to our Order.

the Knights of Columbus recognizes religious liberty as an indispensable condition for authentic human development.

Consistent with the Catechism of the Catholic Church, we believe that man, created in the image and likeness of God, possesses the natural right to be recognized as a free and responsible being, especially in moral and religious matters. Our Order remains steadfast in its conviction that religious liberty “is an inalienable requirement of the dignity of the human person.” (Catechism, 1738).

We are therefore called to defend religious liberty against cultural trends that are increasingly hostile to Christianity, and impede men and women from freely exercising their religion by living in accordance with it. As the Second Vatican Council noted, although we must respect the just autonomy of the secular sphere, we must take into consideration the truth that there is no realm of worldly affairs that can be separated from God.

St. John Paul II witnessed that when a society attempts to close the door to religion, it inevitably falls prey to a totalitarian reading of the human person that recognizes only the state as the ultimate arbiter of right and wrong. It is our duty as men of both Catholic faith and patriotism to resist militant secularism and to defend religious liberty at the international, national, state, and local levels. Without this necessary check on the power of the state, no principled limit can be recognized to prevent the expansion of government’s power at the expense of personal liberty.
