Faithful Friar's Message: In the course of Sunday Mass, the congregation is offered several opportunities to make an act of faith in the Lord Jesus truly present under the species of bread and wine. One such occasion is immediately after the consecration when the priest elevates the sacred Host and chalice for the veneration of the faithful. A second opportunity takes place at the end of the Canon and just before the "Our Father" is introduced. And thirdly, there is that very intimate moment when the priest or minister of Holy Communion holds up the sacred Body or the Cup of Precious Blood before the faithful Knight of Columbus and invites his "Amen", his very personal statement of faith in the body and blood, soul and divinity of Our Savior. Then in the precious moments while enjoying the presence of the Lord Jesus, the Knight ought to ask that his faith in the Eucharistic presence of Christ be made firm enough to include everyone he shall happen to meet in the coming week.
Vivat Jesus! - Fr. Cecil Donahue, O.S.B., Faithful Friar

Faithful Navigator's Message: At our January meeting we have been asked by Vice Supreme Master Bill McCarthy to conduct the "Ceremonial for Renewal of Obligation Pledge." This will be done under "new business" in addition to our opening and closing ceremony. If you have not been to an assembly meeting in awhile, come and join us.

My thanks to those members who have been faithful in standing Honor Guard at our various functions. We can always use more members to "step up to the plate."
